"Newberry Long Cabin is a New Addition to the Carroll County Heritage Center".

...Montgomery Newberry log cabin of Hopewell in Newton Co...birthplace of Tennessee Newberry-Bunch (gr-gr-grandmother of Ssirley Pyron, wife of Jewel Ray Pyron of Berryville....Coy Logan...Vondeen Newberry... Mrs. Hazel Bunch of Dry Fork ...on Hamstring Creek near Dinsmore.... Montgomery Newberry..it was his home. He was married 3 times. He was the father of 13 children. His 2nd wife brought 3 children to the loghouse home with her. Montgomery also had a black man whom he brought with him from Shelby Co., Tenn. (black man named Jess)

Montgomery's daughter, Malinda Newberry-Logan. Coy Logan is a great-grandson of Mr. Newberry.

Hopewell community was 1st in Carroll Co. When Newton Co was formed Dec 14, 1842, this area was in new county.

Following concerning the early Newberries was taken from the 1850 census from the History of Newton Co by Walter Lackey.

Osage Twp. Elijah Newbury, a farmer born in NC 1803 and Pricilla his wife b in Tenn 1808 came to Osage Twp some time before 1850. Their family as recorded in 1850 was: Sarah E., 26; Mahala P., 20; Roda 15; Leah 10; Andrew M., 4; Cassa P. and John F. (twins), age 3; all born in Tenn.

James Newbury, a farmer and Mary, his wife b Tenn 1817 and 1827, came to Osage Twp 1846, parents of 3 children in 1850: Clark, 4; Emily (probably Armilda) G., 3; and Alexander 1, all born on Osage Creek.

Stephen Newbury, a farmer and Easter his wife b Ga 1802 and 1818; lived in Tenn before coming to Osage Twp 1842. Family in 1850: Sophia, 12; Sarah 10; born in Tenn; Nancy G., 8; William J., 6; Isaac N., 4; George W., 3; and Malinda, , all b. in Ark.

George Newbury a farmer and Nancy his wife, b Tenn 1828 and 1833. no children in 1850

Land purchases listed in Walter Lackey's book are:

Nfr, NW$\frac{1}{4}$, Sec 2, 42. 40 acres $53.00 by Stephen Newberry, 2-4-1853 Cert. No. 6093

SE/4 NE/4, NE/4 SE/4, Sec 4, 79.98 acres by James M. Newberry, 12-31-1860, Cert No 12961 .

George W. Newbury, a mechanic and his wife Nancy J. age 31 and 26, b Tenn, came to Jasper in 1852, where son Jackson was born. They moved away from Jasper then back to Jasper in 1858 where their daughter Elizabeth was born.

In 1860 George Newbury was town mechanic at Jasper.

The foregoing information leads us to believe Montgomery, Valentine and their father, Stephen were not here in 1850.

According to some of the relatives it is believed the family of Newberry came from Finland to America.....

Montgomery Newberry's 2nd mar was to Rachel Clark Johnson who had 3 children. They were Mary, Tinsell and John Johnson.

Mrs. Eula Cook, dau of Albert Newberry .....Albert Newberry was the son of Stephen and grandson of Montgomery. Stephen's widow Caroline lMenton Newberry was the last person to live in the log house.

Mary Newberry died in childbirth. It is prob true that S.F. Frances and the infant child are buried by the side of Mary Newberry in the Liberty cem.

Montgomery and 2nd wife Rachel are buried at Hopewell. Julia

Wilson, 3rd wife of Montgomery, was buried in a cememery 2 miles west of Osage. Roe Allred said he had heard Julia married Montgomery for his gold. They did not live together but for a short time.

James McConnel Logan (12/5/1854-3/2/1928) m. Malinda Newberry 12/9/1875. They est. 1st home at the head of osage creek, where they lived from 1875 to 1887. Moved to Moore, 6 miles south of Berryville, and then to Dryfork in 1905......

Mary Ann Newberry Arnett was buried at Wagoner, OK. Her husband, Jim Arnett killed by runaway team while working in the timber south of Eureka Springs. He was buried in the Williams cem......

Hugh Bunch of Rt. 3, Berryville, believes the Newberry families came to Ark in 1838 when the Bunch families came here from Overton Co Tenn. It is believed 3 families came: Montgomery Newberry, Volentine Newberry (a Baptist min of the Gospel of Jesus Christ) and Stephen Newberry, the father of the 2 listed. Volentine lived on the farm above the Montgomery place....Volentine performed marriage ceremony for Jim and Malinda Logan.....

Burk Newberry, grandson of Alec Newberry said Alec and a brother were trying to break a yoke of steers to work when the saw some bushwhackers up the creek. Alec told his brother to take the steers up the hollow and hide them. During this time the bushwhackers had given Alec a beating trying to make him tell where the steers were. George Newberry came by later and told them, "Some of those men won't be back anymore."..........

Tennessee Newberry was married 11/18/1869 to Lee Bunch and they were the parents of 6 ch. Tennessee drowned in Osage Creek at Clearwater. She was riding horseback to a neighbor's home to exchange some garden seed and while crossing the stream, she was drowned. Her body was found in water that was not very deep. It was not known what caused the accident. She drowned 4/14/1883 at the age of 32. Of her 6 ch she left behind, Samantha Margaret (Mantie) was her youngest being only 2 yrs oldl/...z,.Mantie..married Jim Hamby and they lived on the mountain between Rudd and Rule.

Lee Bunch operated the water mill at Clearwater. At one time, his brother "Buck" also operated the mill.

Burk Newberry said Montgomery Newberry owned all the good land for some distance above and below Hopewell. A grave marker in the Hopewell cem has this inscription: S.C. Newberry, b 11/5/1802, died 9/2/1870. Evidently this is Stephen, the father of Montgomery & Volentine. He was born in Georgia. Montgomery had a son Stephen b 6/16/1863. He died in Little Rock. Onnie and Albert were his sons.......

Mr. J.B. Bunch
Secretary of the Bunch Reunion

Dear Mr. Bunch

Was so glad to have this invitation from you to meet with you and have been wanting so much to make the trip. A year ago I wanted to go but was not well enough to think of trying to go along and was visitied by sons, and it was suggested that one of them would arrange to go with me and theothers would pay the bill and we would go by plane, but their business didnot permit them leaving just at this time. So I am not getting to go.

I have three sons, Doulass J. has been in the Produce business in LoA for several years and is now in the process of selling out, or in other words has sold out and has agreed to work for the man that is buying until November. So you see he could not afford to interfere with the deal as its about a thirty five thousand dollar deal and he has been wanting to get out as he must have a change of work on account of his health.

Ellis my next son has not been quite so lucky financially but has a good job with a co handling supplies for the Boy Scouts in San Francisco, at 3515 - 16th He and his wife are workers in the 1st Bapt Ch of the city and is a real Bunch.

Truett is Vice Pres of the Low Adv. Co and has changed his to G.T. Douglass and lives at 619 University Way, San Jose, Calif.

I have been quite interested in a family tree and have a copy of the one prepared by Carl Bunch of Springdale, Ark, a desc of Larkinand Eliza Bunch. I find several mistakes in the branch of Bunches headed by John and Eliza Qualls Bunch. As I happen to be of that family and grew up with them and have been in their homes I feel I could be of some help in lineing them upand will send him a copy of my work.

One of the reasons that I was so anxious to be at this Reunion I wanted to see if we could get a movement on foot to work up a real Family Tree, by electing some one to have charge of the job. I understand that there is a movement back there to have the grave yards taken care of and I think we have subscribed our pledge for the care of the one at the Bradley Bunch Church on the home place north of Berryville, as several Bunches are buried there and my wife's mother Sarah Douglass wife of William C. Douglass. My father and Mother Lee P. Bunch and Tennessee Newberry rest at Rule. I was born and raised three miles west at the Old Mill place on the Osage Creek. I suggest that some one who lives there near these graves yards write the Family Tree as they hold the records of Births and Deaths in a more accurate way than could be found elsewhere.

I am sure aFamily Tree that would worth while would cost something to publish and the expense could be met by the sale of the copy, pledged or ordered in advance. If you think this worth while take it up with some of the leaders and write me as to their reaction, and I will send all the work that I have to the one in charge and they can have the advantage of our efforts. To be sure there will be mistakes in all of these writeups by by compareing them usually one can come nearer the correct. Nat Bunch son of Nat Bunch, son of

Charles Franklin Bunch, son of John I Bunch, son of Nathaniel Bunch, was the first to send me some of his work and Unice Bradburry, daughter of Charles Bunch, son of Columbus, son of Bradley, son of Nathaniel has given a good write up.

I understand that Mrs. Z.R. Hammer of 4122 Hersf[illegible] HEL st Dallas, Texas, is to attend the Reunion. She is a dau of John Whitlock and Louiza Bunch Whitlock a sister of mine, botn at Rule, Carroll Co., Ark; lived and died at Paris, Texas. They are fine folks meet them and show them a good time.

We visit back and forth with Charlie Bunch of Palmdale California. They attended last year but was rained out, so got to see very few of their kin. I think they are not going this year. Charlie is a grandson of Uncle Bradley Bunch, who lived north of Berryville.

Let me hear again from you, as I am interested a real Family Tree. I was raised to know all of my father's brothers and sisters, and most of Uncle Nats and Uncle Bradleys sons and daughters, but neverknew any of the Bunches of Kingston, Huntsville or Springdale.

Yours,

ALLEN P. BUNCH.

Dear Folks:

Christmas Greetings 1959 !! We wish each of you the best for this new year !!

Jan.- I was still living in Calif. Clyde had come from Colo. and Maxine from Carmichael to spend Christmas with me. Clyde left for home Jan. 5th. I was busy at my job as secretary of the First Baptist Church of Sunnyvale.

Feb.- My mail box usually had a letter every day from that red head in Colo. One of these contained a proposal, so now I had many decisions to make. Answer is yes!!

March.- Many things to do - resigned my job at the church to take effect April 1. Put up my home for sale. What a job to keep it ready for inspection at all times.

April.- Job ended. Funny to not have a regular job after 7 years. Lots of work to do at home gettings things packed & showing my home. Sold my home.

May.- Farewell parties. How hard it is to leave folks you have known and loved so much. Clyde came to help pack. We visited, Maxine's, Lavern's, Harlen's, & Madge's. Dear Geneva:

Thank you for your lovely card, and note. I am so sorry that you are having trouble again with your heart. I too hope it clears up ; by spring. I know it is no fun to have to take it easy. I still have a lot of trouble with my back. I need some extra rest every day.

I have not done much with the family tree either. I have several run off, that I need to put together. I like to keep them ahead, so I can send them the same day I get an order. Have not had many orders. But a few. I will need to get these put together before the reunion next year. I can probably work on it in Jan. if the weather is bad, and we are in more.

I spent 2 weeks in Calif with my daughter- Maxine. From Nov. 26- Dec. 10. I had a grand time. We went over to Sunnyvale where I use to live, she lived there 3 yrs too! On the way home we got a broken axle. We had trouble getting home, but finally made it. Her husband kept the children, so we were free to do more visiting, and get around better.

A MERRY CHRISTMAS AND HAPPY NEW YEAR TO BOTH OF YOU!!!

Dear Loved Ones:

We are coming to you by way of this letter to wish you a very "MERRY CHRISTMAS" and a "HAPPY NEW YEAR". We wish we could really come in for a visit, but since we cannot this will have to be next best. Let's chat a bit about what we did each month.

Jan: Mother had come to spend Christmas with us, and stayed most of Jan. She was chief cook, and I was seamstress for her. We did some visiting away from home, but the snow was deep about that time, and so we stayed in, and sewed.

Feb: We still had lots of snow, so it was a joy to stay in. I typed and mimeographed many pages of our "Family Tree". Clyde and I are both busy in Church work. There is always church work if a person will do it. I am still having some kidney trouble- carry-over from last year.

March: I was busy on spring house-cleaning. It is amazing the dirt that collects all winter. Clyde is busy running the store. I give him an assist most every day.

April: Leonard spent a few days with us, and Helen came over for her birthday- we had a birthday dinner for her. I was hostess to my Sunday School Class. I am getting to know each one better. We had a birthday dinner for Fern Pitcock.

May: Spring has come, & warmer days are ahead. We have been looking forward all year to Joe & Lois coming, and they arrive May 22. We have a good time visiting. We have a good fishing trip over to Taylor Reservoir, Jimmy going with us, all got fish. We have a birthday dinner for Lois. We have a fishing trip to Lake Isabel.

June: Joe & Lois leave for home. I go to the Women's house party in Denver. We are making plans for our trip, and getting ready to go.

July: We leave Pueblo, July 7, go to Espanola New Mexico, and spend the night with Ove & Jack, Leaving Fri. P.M. for Lancaster. We visit Harlen & Doris, Madge & Jack. Betty & Earl, & family come for Sunday. On to San Bruno, where we visit LaVern, Isabel & Butch. We have dinner with Gladys & Alta. On to Carmichael, to visit Maxine, Bill, Anita Steven, & Garry. We swim, visit, and have picnics with Lafe & Laura. Last minute Maxine & children decide to come home with us. We visit Mother, Ivan & Violet. We had two busy days visiting friends at Sunnyvale, all too short.

Aug: . My brother, Vergil passed away, at Ogallala Nebr. so we all go there for his service. Most of the family come for the service. We take Maxine back to Mesa, to meet Bill, & go home. The men fish. Donnie spends a night with us, on way to school.

Sept. We are busy canning & freezing food. Clyde is a good peeler & fixer.
Oct: We went over to Mesa, to visit mother, Ivan & Violet, & families. Faustine & Dick come from Calif. The men all went deer hunting, & got their deer. Mother & I Picked apples, & cooked a barbecue, which all enjoyed the last night we were there. Mother came home with us, & sure enough we got busy sewing again. Clyde & Mother sprang a birthday surprise dinner on me. Ruby came for mother & took her home.

Nov: Christmas shopping & plans. I have a surprise birthday dinner for Clyde. He comes upstairs & finds there is to be a dinner, but does not know who till they all arrive. We are both busy in church work. I love my class, & Clyde helps all he can.

Dec: Clyde's son James in the hospital very ill with a brain tumor. We visit him. My Class dinner at our pastor's Rev. Walker. The Class give me a lovely set of double candle holders, with bowl, by Fostoria. Our first big snow Dec. 5.

God Love You!!! Nettie & Clyde Pitcock

WORK BOOK - FRONT & BACK

Hi There!

Dec 1960

I have not heard from you for a long time. Of course I have no room to complain, as I am very slow about writing too.

How are you anyway? Fine I hope. As you can see from the letter on the front page we have been busy. And of course that is only a small part of the things we do. The car heater has been on the blink, and I have had to stay 3 part days to let Clyde take it to have it fixed. First to a fellow who was supposed to fix it, and then I drove it to the Springs, and nearly froze my fanny. Then on Sat he took it back to him, he said the heater worked, it was the fan that would not work, and he did not know how to fix it. So then yesterday he spent 2 hours getting that fixed(we hope). I am getting tired of this having no heat.

Clyde's son James has been very sick. They took him to the hospital Nov. 27. For 2 weeks they made all kinds of tests, and finnally decided it was a tumor, but when they got in there Friday they found it was scar tissue that was keeping the fluid from returning to the spine after going up to the head. He had the operation Friday. I took James wife's mother up, and we spent the day with Fern. It was very hard day of course. We were all so worried about him. They had given an air test the week before which was so painful. He had so much nasua from it. But he came through surgery real well. He was still on inter-veinous feeding when we were there Sun. but was to have food on Mon. He is improving, but it will be slow of course. So we have had many trips to the Springs (40 miles) to see James, and to help where we can.

I got the last package off this morning, and now I am trying to finish up our cards. I typed and mimeographed mothers cards, too, as she has trouble with her hands. I had to get them off before ours, as she needed time to address them, and they had to have time to get to her. With James ill I ahve been held up a bit. I started in Nov. and it is good I did, or I would never have made it.

Our weather is nice, now. We have had 2 good snows. But it has not been as bad as last year.

Other than James our families are fine. I was so glad to have mother here for 3 weeks. I sewed for her, as usual. I seem to be her seamstress. But I am glad I can. She is 76 now, and I may not have her too long.

I have not done anything on the family tree for ages. But I hope after the first of the year,to get busy on it again. The summer activities came on, and I was so busy I did not have any time to even think about it.

I hope your health is real good now.

MERRY CHRISTMAS & HAPPY NEW YEAR

Dear Geneva:

I have had your card addressed & lying on my desk for about 2 weeks, and have just not been able to get to it to write some extra. I too feell that I have not heard for so long till I had your letter yesterday. I had planned to write yesterday, but again did not make it.

I feel this general letter does fill a person in a lot on us, but I know it is nice to have another letter besides. We have run out of Christmas letters now, and I will go to the church today & run off sme more, they will have to be on plain paper. I do not know how we came up short, but did. I think I ran more for mother than for us. As I do hers too, the same day as ours, and I get enough paper for hers.

I have had an extra job this year. I made and decorated our pastor's daughter's wedding cake. I had some help on the baking and a lady helped me the day we put it together, and yet it was really a job. But I was rewarded with it looking just elegant! (not bragging, but I was pleased since it was my first wedding cake, and too because I worked so hard on it.) It would feed 300. It was trimmed with Poinsettia's, and bells, and Christmas trees. (The trees ere made in crystal work, the same as the bells, but colored.) It was 16 in, 12, in, and 8 in. tiers, square, and the top layer was up on ccolumns. Anyway I am still tired from the job. The wedding was Sat at 2:00, and I helped with the serving, and then Sat night was our lodge Christmas party, and I attended that too. Then Sun teaching my class. I slept nearly 2 hrs Sun afternoon - I was that pooped. Then Sun eve our Choir had their Cantata. It was very good.

We are doing quite well, both have had colds, and we seem to keep a little all the time, but all in all we are doing quite well. I guess we will be home this Christmas. I decorated yesterday, and we put up our tree Sun. afternoon. When we went to Calif last year, we did not put up a tree.

Thanks for telling Walter Bunch about me, I had a letter from them, and their interest in a book. I sent them one the day I got the letter, and they sent the check yesterday. I have not had any trouble with the relatives getting a book, and not sending the money! So we have honest relatives as well as many of them. There is a Kyle Bunch here who teaches in Jr. High School, and is also a painter. I am taking him a book to see if he belongs to us, and I believe he does - he looks like a Bunch. He also had a letter about the paper. I have not had any communication about it. But I would like to have it. I presume it is by our relatives. I am sure there are a lot of Bunche's that we do not yet have in our record. Mrs. Walter Bunch sent me a buhch of records, and I will make a mimeo on it as soon as I can manage it.

Since I went to see Maxine in Aug. I do not plan to go now, but would really like to. I hate to have her so far away. She is so busy with the children, and hom e work, and keeping up a job in a law office. Shelikes her job.

Mother is quite good for 80 yrs. I hear from her all the time. A friend of mine- who was my friend before I was married the first time, is staying with mother till she can recuperate from cancer, breast surgery. Mother will be a good morale booster for her. I would like to spend Christmas with them too.

We had such a beautiful fall, and not much snow since it first fell Nov. 18. In fact we need moisture. Have had some cold, but not really bad.

So glad to have a note from you, and write whenyou can. I know how busy a person is.

A VERY MERRY CHRISTMAS AND THE HAPPIEST NEW YEAR TO BOTH OF YOU!!!!!

Love,
Nettie

Come Let Us Adore Him

WARD Bld

"And the angel said unto them,............behold, I bring you good tidings of great joy,..........

Joy is built into God's design for His people and at no time of the year is it more apparent than during the Christmas season. To know the Father is to experience a singing joy and a heavenly peace.

Let us, therefore, at this time consecrate ourselves through Bible reading, prayer and meditation to an even closer walk with God. Let us allow Him to speak to us with His eternal message -- let us listen for His voice guiding us that we may play well our parts in His great Plan.

And, as the Wise Men knelt before Him, dedicating themselves and their possessions in joy and gladness to the long awaited Messiah, so should we dedicate ourselves anew to His work. Let us bring our Christmas offerings of ourselves and our money generously so that His work shall go forward, bringing joy to all the world.

Wishing you a most joyous Christmas

SEASON'S GREETINGS Clyde and Nettie Pitcock

Christmas 1966

Dear Geneva:
I have not heard from you for some time. I imagine you have been busy.

I have mimeographed some additional pages, and have some more that just came in, that I will do, and send to you, after the first of the year. When Christmas rush is over. Mrs. W.C. Bunch at Bakersfield sent me a clipping from their paper, and wanted a "Family Tree" I asked her for more information on her family, and she sent me some on Walter Bunch, number 1834, page 106.

We are busy on cards, and adding notes. I also had the Bible study at church Thu. I worked out role playing on the book of Job, and they seemed to like it. But it took time out from my Christmas things.

I am real busy on church work - teaching each sunday, Having the Bible study each general missionary day. Working in planning and also to have a part in our school of missions to come up in Feb. Also I am going to each church in our association with a program for the women. Always something. But we have a new pastor, and he and his wife, are just the greatest. Everyone seems to like them so well, and things are booming in our church.

You will see from my other letter that Clyde has sugar diabetis, and I give him a shot of inuslin every morning. But he keeps going, and runs the store every day. I help him as I am needed, and do so much church work.

I sent Mrs. J. Frank Smith the books to sell at the re-union this year, but she did not get them in time. So they will be there next year - I hope. She had the extra pages to give out to those who have books. This is a problem - how to get out to the folks the new pages. I do not feel like standing the expense of mailing.

I hope you folks are well, and things are going good for you. As we get older things have to slow down a bit.

We have a lady in our church Anna Mae Coleman who has a brother Rowe in Berryville, and they gave me the latest news from Berryville - since they are here for a visit.

A VERY MERRY CHRISTMAS
AND
A HAPPY NEW YEAR!!!!!

Love,

Nettie

Dear Geneva:

Have meant to write for some time, but just put it off. I have heard from some more of the family. Mrs. Sanderson - who is Mrs. Landers Daughter - who is Daughter of Louisa Bunch Whitlock. She bought a book, and promised to send me [illegible] lot of material about her family. We have the names of Louisa's daughters, [illegible]ut do not have any of the grandchildren. So will be glad to have it.

I have been so busy in church work. As you can see from my Christmas letter. But thought I would add a bit for you. I really need to write a lot of personal letters, but just do not have the time. So the Christmas letter has to do.

I enjoy so much a personl note from each one. What they are doing, and how they are etc. It is so much more meaningful than just a card.

Maxine (my daughter hopes to come see us about the middle of Next June. I hope she will be abel to make it. Clyde's daughter has visited us every summer, and his son did too - as long as he lived. But Maxine has not come since 1960.

I had a couple of days after Thanksgiving with my mother. She was so glad to have me. She is doing quite well for a person 83. Had a nice garden this year, but not as big as last year.

Did I send you some extra pages? I meant to - but not sure if I did.

Clyde has not been feeling very well. He has trouble with his breathing. Then he took a cold 1½ weeks ago, and that has made it worse. He has been trying to redecorate a rental we have on the east side, but would do like 2 walls, and then give out, and have to come home. So we fiaally got a man to finish it. He should have it done soon, but we got a big snow yesterday, and he was late getting over on the job. We have not heard from him today, so do not know how he is doing. We would like to get it rented before Christmas if we can.

How are you coming on your side of the family? Also how was the reunion this year? I have not heard from anyone about it.

[illegible] hope you are feeling o.k. and theings are going fine for you.

MERRY CHRISTMAS AND A HAPPY NEW YEAR!!

HAPPY NEW YEAR!

Dear Loved Ones at Christmas time 1968:

It was so nice to have greetings from many of you last Christmas, & many already this year! I enjoy so much a personal message with our Christmas Greetings.

Health-wise we are doing fairly well. Clyde has lost some weight, and has had some trouble again with too much sugar. But we are controlling it with Insulin & diet.

Busy through the year in many Church, Associational & State projects. Several trips to Denver on State work. I taught in our school of missions 6 sessions in Jan. & Feb. Served on nomination committee for our women's officersof Assn. Also several meetings to plan and carry out our associational meeting.

Maxine, Anita, Steven & Garry arrived from Calif. for a two week visit. We are busy visiting friends, & relatives. We had 3 good days with Uncle Onnie & Aunt Elsie. Onnie took us out to my old home place, & to Estes Park. Picnic with group that Maxine was in when we lived in Pueblo. Lunch with Jane Green. Lunch with Mrs. Bowen. Dinners & 2 overnight stays with the Robbins in Denver. Visited Esther & Everett in Cheyenne. Visited Walter, Alta, & Philip. Visited Lois & Claire, & they spent night with us. We all went to S.S. & Church & to Colo. City for picnic. Time for them to go.

Marie & Richard arrive from Ft. Worth, and we have a busy 12 days. We go to the Williams cabin for class meeting. Clyde & Richard go fishing. Picnic at park with Jane & family, went swimming in Park pool(got sunburn!) Good visiting. They leave.

I had a week with mother at Mesa. She is 84 this year, and still had some garden! I sewed for her, and canned a few apricots for me. Sonja, Cleo, & Iva Kay are there too, and we had a good visit. Faye visited me here too. Violet took me back to Grand Mesa, where I got a ride home.

Arnold arrived for a two week visit! We all attended Church picnic at Colo. City. We had a dinner for Rev. Unmack (who was teaching Bible Study), the Tuttle's, Arnold & Mrs.Foster. Arnold enjoyed visiting friends and relatives.

Today I received several Christmas cards, with letters. Thank you so much! It is so good to have a personal word. I have been saying I must get our letter out.

My how the years go whizzing by! They say you can tell that you are getting old then the time whizzes by. But many younger people say the same things. We are all busy!

There has been some talk this last year about letters like this. But I receive many letters like this from friends, and enjoy every word of them! For the most part it is the only time of the year when we do hear - so a letter about what we have been doing & how they are, means so much more than just a greeting. I say if those who receive the letters do not care to read them - they are not compelled to by any means. They can file them in the waste paper basket. Me! I cherish them and read them over again - so keep them coming!

May there be joy in hearing, The bells of Christmas Chime,
May there be peace within your heart, throughout this Holy Time!
And may the Babe of Bethlehem, Who in a manger lay,
Bless both you and those you love, This Happy Christmas Day!

MERRY CHRISTMAS TO ALL! & MAY GOD BLESS YOU!

Dear Loved Ones:

I know there are some people who do not like Christmas letters, but I happen to be one who likes to receive letters at Christmas time, so I send them too. The formula for those who do not like them is to put this in file 13, right now!

Some of you may not know that Clyde Pitcock passed away May 11, this year. He had been in failing health, and not feeling good for some time. He had a good evening, Sat. May 10, watching T.V. He had a good nights sleep, and when I got up at 7:15, He had just slipped away in his sleep. So I have been trying to pick up the pieces. I have been going through probate! It is really rough! I have worked so hard on the rentals, and the store, to get them ready to sell. One place is sold, and I am still working on the others. I have been selling out the store since June 18.

My mother is 85, ans is still able to have some garden, and care for her home. She has planned a family reunion for Christmas, at her place at Mesa, Colo. There are 7 of her children living, and we all hope to be with her for Christmas. We hope the weather cooperates.

Maxine has moved to Sunnyvale recently, and as soon as I am able to get things straightened out here, I hope to move out there too. It is not easy to pull up stakes, and move across country. I have many dear friends at Sunnyvale Calif, and of course I would like to be near Maxine.

I have been working on our "Family Tree" and have 65 books, with each book having about 200 pages, ready to sell now. It is lots of work, and yet very rewarding. I am so happy we have this much information. It is a never ending process to keep up with births, deaths, and marriages.

Thank you each one for your letter, or note in your Christmas card. I appreciate so much to hear from you at Christmas time. Since we do not take time to write during the rest of the year. Your letters make up about one half of my Christmas.

I have been active in Church work this year, as time permits. I have not done as much as before, because of time. I will be glad when I am free to do more.

A special touch of Christmas
On a Christmas card,
A special thought at Christmas
Sent with warm regard!

Merry Christmas! Happy New Year!

Dear Loved ones, far and near:

Christmas 1970! It has come so fast this year! Already I am receiving cards and letters. This is the best part of Christmas - to hear from loved ones far away, that I have not heard from for the year.

This has been a year with many frustrations, and problems. We do not have the estate closed as yet. I have to keep endless records of all of it.

I have had an injured knee, wrist, and a broken finger, but they are all better now. These were all in separate accidents.

I spent six weeks redecorating the ranch house. The folks who had lived there left it in a terrible mess. I set glass, laid quarter round, repaired linoleum, painted all 6 rooms, as well as texturing 3 ceilings, and 2 rooms. I don't really enjoy this work, but it is one way of getting it done.

I mentioned our family reunion last Christmas. It was a great success! Four boys and two girls, came by plane, bus, and car to visit mother! One sister could not make it, as her daughter was coming home. We had a great time recalling childhood experiences, kidding each other, etc. Some had not seen each other for many years, It was a wonderful reunion. We took a lot of pictures. It would be great to have it every year.

Mother came home with me, and spent Jan & Feb with me. I sewed for her, and we had a good time visiting, and also visiting friends.

I spent a week in June with mother, and also helped out on Cleo's wedding (my niece). I also spent a week in July with mother at Mesa. In Nov. mother came over for a visit, and is still here. Her health has failed, and it is not easy for her to get around. She is 86!

I teach an adult Sunday School class ages 35-44, and I enjoy that. I am active in circle, and missionary society. Our church hosted our Colo. Baptist State Convention this fall, and I helped in that.

I had hoped that by this time I would be in Calif. but it has taken so much time to get things straightened out. So I am hoping this next year will be different.

I am thinking of visiting in Calif. for Christmas! But not sure as yet if I can make it. It depends on how mother is, and if she goes back to Mesa for Christmas etc.

Thank you for all your cards and letters. I really enjoy hearing from each one at Christmas time, since we do not take time to correspond other times of the year.

I hope all of you have had a good year!

A little prayer at Christmas
To hope that God will bless
All your days with peace and love
And lasting happiness.

God has given to us Eternal Life
And this life is in His Son!

Dear Friends & Relatives far & near:

I am receiving Christmas cards and letters already, and here I have not gotten mine written as yet. But seems I am always busy, busy!

I took a full time job in Jan. I took care of a lady 90 yrs old. We became very close friends and it was very hard to see her go into the nursing home Oct. 8th. But she was getting so frail, and her daughter had to be up nights with her, so we had to do something. She is doing o.k. there, but she does not really like it.

I did not know how I could keep up my place and work. But I managed. I did not have much fruit this year, so did not have any to can. I had a tiny garden.

We had the bad news of losing 2 brothers this year- in one week! Leonard, My oldest brother- who lived at Byers, just east of Denver, died April 23, after a fall & a blood clot. Harlen, who lived at Orofino Idaho, died April 28, of a heart attack. I was not able to go to Denver, but did fly up to Orofino for Harlen's. I got to see several of the family. This leaves me 2 brothers- I had six originally.

My grand Daughter, Anita had a birthday Dec. 6. She was busy that night, so I had a dinner for her on Fri eve. We had 9 here for dinner, and a good time. Maxine came over Sat. and we went shopping, and had a good time.

Maxine's second child- Steven is in the service, and stationed in Korea. I have been busy baking cookies to send him, packing them, and have them ready to mail. Also I am sending him a 3 lb can of coffee. He said that what they get over there is weak and not very good. He says it is icy and very cold there now. Steven is 6'2".

Maxine's third child- Garry is home, and is in 11th grade now. He is over 6'. They are all fine. Maxine still works as a legal Secy.

I am busy in church work. My circle is tomorrow. I am the chairman. We have made 9x9 bags that wheel chair patients can tie on their chairs, and put things in that they want to take with them. We will visit the nursing home and take them the bags tomorrow, and then go to a members home and have our meeting.

I teach my adult Sunday School class part time, as we have other members who will teach. I enjoy this class so much. We had a dinner at a lovely place Dec. 1.

I am teaching a Bible Study on Wed. nights for 12 weeks. I have taught Philippians, and we are now studying Colossians. It is lots of work, but interesting too.

I am on the Diaconate board, and serve as Secy. Another lady and I prepare Communion every other month. Two other ladies do it the other months. We also help in the Baptismal Services. So there are several responsibilities.

I was robbed in Aug. While I was at Sunday School & Church, on Sun. A.M. The neighbor kids saw him, but did not call police. Said he was a kid about 20 yrs old. He crawled through a window after taking the screen off, and stole money, and my coin collection. Ransacked my home and messed things up. I was just sick!

We had lots of rain in the early spring, and now have had lots of rain this fall. More than usual, in fact. We do not have rain in the summer months here. My roof is bad, and I have arranged for a roofing man to fix it.

Thank each one of you for your lovely cards and greetings. I enjoy my Christmas letters & Messages so much. Especially those I do not hear from all year.

A special prayer at Christmas time
That God above will bless
Your heart and home and loved ones
With Peace and happiness.

Love,

Dear Friends:

Here it is the last month of 1974. Christmas will be here very soon.

MERRY CHRISTMAS & HAPPY NEW YEAR!!!

I began 1974 with high hopes of going to the Holy land, on a tour with our pastor, and several folks from our church. I got my passport, had the smallpox vaccination, and the cholera shots. Then I began having heart pains, and went to the Cardiologist, for that.

I had E.K.G'S and the treadmill test. Then entered the hospital for the Catherization test. Two days in hospital for a very trying test. The Dr. found that I had 1½ of my heart arteries closed- blocked off, and that I needed open heart surgery to give me a by-pass. The Dr. cuts from groin to knee, and removes an artery, which he uses to by-pass the heart, and just leaves in the old arteries.

He cuts from collar bone to the belt, and saws through the bone and lifts it up, and applies the by-pass. I had a 3 artery by-pass. some have less or more. It is a very serious operation, and takes time to recover from it. I was in intensive care for 5 days, and then in intermediate care for 4 more days. Then home, but just able to do only for myself. It was a long and slow recovery.

Then in August I began to have heart pains again. I went to the Dr and after medication, etc, they decided I needed another Catherization to see what is wrong. So I entered the hospital Nov. 6, had the Cath Nov 7 & home with friends the 9th.

Dr. found that- the other 1½ of my old arteries were completely closed, and that ½ of my new arteries were also closed. That is why the pain. Dr. says lots of rest- lots of vitamins. Another open heart surgery is not advisable at this time.

I have had good support for all of this from Maxine, and my many friends here. My church was so good to me, and some of my class came to be with me the days that Maxine was working, till I was stronger.

Also Ivan & Eva May came to spend 6 days with us. Enjoyed their visit. Also Bertha, Fred, Marie & Mike came for a visit which we enjoyed.

So I have had to take life easier, and have had to give up most of my church work. I go for as many services as I feel like. Not easy to give up the work I love so much.

I had hoped to take the holy land tour this year, but it is out now too, I guess.

So much for my sad news. On the good side I am still able to live in my little home which I enjoy so much. Maxine lived with me from May 1- Aug 10. But I have been able to manage alone since then.

I still have Shanna- my little blonde poodle. She is lots of company. She really hates to be left alone, so my being home more suits her fine.

I enjoy hearing from all of you at Christmas time, and I enjoy so much letters, especially when I have not heard from you all year. So do write.

Maxine is fine. Anita is living with her now. Steven is home from service, and has a good job. Garry is in service and stationed for now at Ft. Ord. I see them quite often.

As the bells of Christmas summon us to worship and to pray,
With thankful hearts we share the joys of this most holy day
May you find new hope and happiness, new faith in God above
As the season's bright blessings come to you and those you love.

DESCENDANTS OF NATHANIEL & SARAH (WADE RAY) BUNCH continued
Descendants of Samuel T. & Anna Bunch Allred Compiled by Mrs. J. Frank
(Anna Allred)Smith of 106 Ada St. Berryville Arkansas. 1960

Ann Bunch (1814-1893)

Anna Bunch, daughter of Nathaniel Bunch, who was of English ancestry, and Sarah Wade Ray, who was Irish, was born in Overton County, Tennessee, on March 27th, 1814. At 14 years of age she was converted and joined the Church, probably the Freewill Baptist Church as did most of the Bunches, however we have no positive proof. At 16 she was married to Samuel T. Allred and in 1839 they with their five children migrated to Arkansas, and settled here in the Ozarks, the then wild west, where she lived the remainder of her natural life in Carroll, Madison and Newton counties. She was the mother of 18 children, all single births.

In 1857 an epidemic of what is thought to have been typhoid struck the neighborhood and took the lives of many people including her husband and six of her children, her father and a sister, other relatives followed the next year. Then in 1861 came the Civil War and her second son John, whose wife had recently passed away, brought his infant son, John, his young orphaned brother-in-law and sister-in-law, who had been living him since their parents died, to his mother, and went into the Southern Army. He was killed in the Battle of Pilot Knob, Mo. and was buried in the same grave with His Uncle Larkin Bunch. Grandmother raised his child as her own and mothered the brother-in-law and sister-in-law as long as they needed her.

In all of her trouble and sorrow it was said she bore up bravely and courageously, never murmuring or complaining. I've heard my father say he never saw his his mother in tears, but a very few times and never saw her angry, or if she was angry no one could tell it. She practiced what she taught her children, to never speak evil of anyone. Her motto was "If you can't say something good, don't say anything."

As a young lady I was very fortunate in having the privilege to spend a week with Margaret McCollough Smith, the little sister-in-law of my Uncle John Allred, She told me many incidents that happened in her life while she was living with Grandmother, and how Grandmother took so many into her home from time to time during the Civil war and the years that followed. Not only her married daughters, whose husbands were in the army, and their children, but anyone old or young who passed her way, and though many times there was nothing to eat but beans without seasoning or salt, and plain corn bread, she was always willing to share with others less fortunate, and they never failed to have something to eat. My father in speaking of this said when his father was nearing death he called the family to his bedside, shook the hand of each of them and said"Annie" I'm leaving you and the children in the hands of the Lord and you'll never suffer for something to eat". He believed it was the Faith of his father and mother that carried them through, and permitted his mother to give help to others.

He said he remembered one time that Grandmother walked about 3 miles every day for several weeks to carry a gourd full of milk and a pone of corn bread to a sick woman and her two children. After the war when her husband came home he was so grateful to her for keeping his family alive that he went out of his way to help her and her children over some hard places.

She was often called to the sick, sorrowing, and dying, as long as she was able to go, and many a child she helped usher into the world, and according to many old people with whom I've talked she was credited with help ing bring many folks back from seemingly eminent death with the calm and efficient use of remedies such as she had, and her faith in God.

She had no formal education but she was wise in the ways of pioneer living, and she knew the medical value of many of the herbs growing wild in this country.

Continued- Descendants of Samuel T. & Anna (Bunch) Allred

Her youngest son, Reuben K. Allred, my father, remained with her and cared for her through her declining years and on June 21, 1893, she very suddenly and quietly slipped away. Only seven of her children survived her. Her body is resting in the Liberty Cemetery beside her husband and near her children and many other relatives, and also near many bodies placed there by her own hands, and those of her neighbor women, in caskets made from hand riven boards and wrapped in homespun shrouds, during the civil war.

Grandmother died five years before I was born, but to me her Spirit is still very much alive, and sometimes I feel very close to her. Maybe it is because I was named for her, and have heard father and others talk so much about her, and maybe it is because I too was left a widow with a family of young children. Maybe it was Grandmother's Courage that helped bolster my Courage and Her Faith that helped strengthen me when things looked dark. Anyway it was and is the same God that gave us both the strength we needed to carry on. God Bless her memory.

When Samuel & Anna Allred first came to Ark they settled near Liberty Church under the Squatters Rights law, and I've been told Grandfather cleared a field back this side (north) of the church. Then he sold his claim and homesteaded a place on the Kenner Prong of DryFork, across the mountain east of Liberty - if I have my directions right - and about two miles up the creek from the little town of Osage, then called Fairview. It was in Carroll Co. before Newton Co. was established. Newton and part of Madison were from Carroll.

Anna Allred Smith, 1960

Written on my first visit to his grave
on memorial day

My Father

Out there Daddy sleeps
But why should I weep
When his spirit is free as the wind?
He fought a good fight.
Always stood for the right
And he lived past his threescore and ten.

The lessons he taught
Have lighted my path,
All down along the way I have come
And I hope to some day
Clasp his old hand and say.
Look Daddy! See here! I've got home

If I can leave mine
The assurance divine
That I've gone where there's never a strife
And have taught them the lessons
That Daddy me
And have backed them up with my life.

Then I've not lived in vain,
And if I can but lend
A firm helping hand to someone
Then my toil will be sweet
And my rest more complete
As I travel toward life's setting sun.

If my neighbors and kin
My ~~families~~ family and friends
Can say when I'm laid 'neath the sod
That I've fought a good fight
Always stood for the right
And have pointed their way on toward God.

Then I don't ask of fate
To let me be great
Just humble and true day by day.
I ask nothing more
Of life's bountiful store
And Daddy would have it that way.

(Reuben Kirby Allred) MY FATHER (By Anna Allred Smith.)

Out there Daddy sleeps
But why should I weep
When his spirit is free as the wind?
He fought a good fight
Always stood for the right
And he lived past his threescore and ten.

The lessons he taught
Have lighted my path
All down along the way I have come.
And I hope to some day
Clasp his old hand and say,
"Look Daddy! See Here! I've got home."

If I can leave mine
The assurance divine
That I've gone where there's never a strife
And have taught them the lessons
That daddy taught me
And have backed them up with my life.

Then I've not lived in vain.
And if I can but lead
A firm and helping hand so someone,
Then my toil will be sweet
And my rest more complete.
As I travel toward Life's setting sun.

If my neighbors and kin,
My family and friends,
Can say when I'm laid 'neath the sod
That I've fought a good fight,
Always stood for the right
And have pointed their way toward God.

Then I don't ask of fate
To let me be great
Just humble and true day by day.
I ask nothing more
Of Life's bountiful store,
And Daddy would have it that way.

Enterprise Is Answer

actions have inflated housing costs. The plea must be that government start doing its job well, and let other people get about their business. If the government could sufficiently control its own appetites, and effectively manage the money supply to prevent inflation, every problem associated with housing would be infinitely more manageable."

Although individuals, especially older people, have benefited greatly from the government housing programs of the past decade, says Meyer, there is a "strong case" for the proposition that the net impact of the programs has been "negative" for the population as a whole — that "there would be fewer run-down neighborhoods, fewer blighted urban apartment houses, and certainly a lesser allocation of family income to housing costs if the Department of Housing and Urban Development (HUD) had been kept on a tight leash."

Taking issue with HUD Secretary Patricia Harris' statement that history has demonstrated the incapacity of private enterprise alone to supply good housing to the poor, Meyer observes:

"It was the rise in the average absolute income of poor people, not any government program, that reduced Baltimore's proportion of homes without indoor plumbing from 18 percent to two percent between 1960 and 1970. One improves the housing of the poor by making them not-poor — and for that purpose, private enterprise has been spectacularly effective. Housing poverty as we have known it in the last 200 years is in fact scarce in America. The government programs that have really improved the housing of the lower half of the income distribution are not subisdy programs but the unsubsidized mortgage-insurance and mortgage-guarantee programs. To the extent that poverty is reflected in housing conditions (and, of course, relative poverty we have with us always), the truth in Mrs. Harris' remark is that neither the government nor private enterprise alone can supply good housing to the poor."

According to Meyer, the housing mission in America has been misconceived for a decade. The "housing problem" in this country is not one of supply, but of prices. Usually an increase in supply reduces price — but what happens in housing, once the gross supply of units is adequate to the population, is that government-stimulated production of new homes eliminates "substandard" (i.e., low-priced) units, maintaining or even shrinking the total supply while increasing the average price. When production is pushed to the limits of the capacity of this complicated industry (which includes limits on the supply of capital funds), prices rise rapidly.

During a generation of shortage, when the poor were driven from pillar to post by government-spawned urban renewal projects, housing advocates yearned for a day when there would be excess units to which people could be moved while

was elected to the office of probate judge in 1890 by a large majority, and has ever been active in political matters. He is a member of the Baptist and his wife is a member of the Christian Church, and both are active workers in their respective churches. Six children have been born to our subject and wife: Mattie, who died when small; Mary F., the wife of Bent May, resides north of Galena and has four children (William, Benjamin, Vernice, and an infant, Atta Ed Kes); Nancy E. married James Hunt, and resides on Wilson Run, four miles from Galena (they have six children—Vedie, Edwina, Walter, Oscar, Edna and Roma, an infant); William, a single man, runs a livery stable at Galena; James died when nineteen years of age; and John is married and living on James River. The Judge and family are classed among the best citizens of the county.

Capt. J. W. Story. This able attorney at law has his office at Harrison, Ark., and in every branch of his profession he is meeting with marked success. He has a decided veneration for the law, and this, combined with the accuracy of his legal knowledge, lucidity of statement and felicity of illustration has given him the confidence of all his patrons. He is a native of Tennessee, and a son of N. W. and Katie Story, who lived and died in White County of that State. His father was a successful farmer, a man of pure and exalted character, who enjoyed in a high degree the confidence and esteem of his neighbors. The subject of this sketch was one of a family of four sisters and three brothers. The other two brothers are now prominent lawyers of Sparta, Tenn. The early life of Capt. J. W. Story was spent in his native State, and there he obtained his education. He graduated from the Law Department of Cumberland University at Lebanon, Tenn., in 1868, and entered upon the practice of his profession in that city the same year. In 1873 he went to Sherman, Tex., but since 1885 he has been a resident of Harrison, Ark., and one of its most successful practicing attorneys. He has devoted himself exclusively to his profession and is justly considered one of the foremost attorneys of Boone County. Since locating here he has been connected with the most important cases that have come up in the courts of his section and has conducted them with dignity, discretion and ability. In politics he has always been a stanch Democrat. In religion he is a Cumberland Presbyterian. He is an active and interested worker in the cause of education. In the honorable order of Masonry he is a Knight Templar. Capt. Story was married in 1876 to Miss Mollie Goree, a highly refined and accomplished daughter of Dr. J. L. and Mary E. Goree. Her parents settled in Arkansas County, Ark., in 1852, where they resided until the death of her father after the war. Her father was a prominent physician and planter. Mrs. Story's only surviving brother is Dr. J. L. Goree, who is now a leading physician of Pine Bluff, Ark. Capt. and Mrs. Story have three children: Katie, Goree and John. Their residence is on Vine Street, in the northern part of Harrison, where they dispense a refined yet generous hospitality. Capt. Story is a safe and successful business man and has accumulated considerable property. In 1861 Capt. Story enlisted in the Confederate Army and served in Company I, Fourth Tennessee Cavalry, to the close of the war. He took part in the battles of Fishing Creek, Stone River, Chickamauga, Missionary Ridge, Resaca, New Hope Church, Bentonville, N. C., and many other important engagements. He served as a private until near the close of the war, when he was promoted to the command of his company for distinguished gallantry upon the field of battle.

John A. Bunch. This gentleman is the receiver of public moneys in the Government Land Office at Harrison, Ark., and is a native of this State, born in Newton County, September 15, 1860, a son of Capt. Larkin and Eliza (Maxwell) Bunch, the former of whom was born in Overton County, Tenn.,

a son of Nathaniel Bunch, who came to Arkansas in 1840, and made a home for himself and family in the northwest corner of Newton County, being one of the first to settle in that region. He also was a native of Tennessee, and was a soldier in the War of 1812 under Jackson, and after his death his wife received a pension for the services he rendered the Government. He was a farmer and died in 1858. Larkin Bunch was a young man when he came to Arkansas with his parents, the journey thither being made by wagon. He followed in his father's footsteps, and became a farmer and stockman, and when the Civil War came up he left home and joined the command of Gen. Price, with whom he took part in the Missouri raid. He assisted in organizing one of the first companies in Newton County, of which he was elected captain, and died while serving the Southern cause, at Pilot Knob. He was a member of the Free-Will Baptist Church. His wife was a native of Illinois, and a daughter of John and Clarissa Maxwell. She died April 12, 1892, on the old home farm in Newton County, which is still owned by the family. John A. Bunch was one of five children: S. B., who is living on the old home farm in Newton County; J. W., who is a farmer and merchant of Madison County, has represented his county in the State Legislature; Clarissa E. is the wife of J. P. Stamps; John A., and William L., a merchant of Kingston, Ark. John A. Bunch was reared on the old home farm in Newton County, attended the common schools, and at the age of eighteen years entered Clarke Academy at Berryville, where he finished his education in 1880. He then engaged in merchandising at Kingston, and remained associated in business with his brother for about eight years. In October, 1888, he was elected county and circuit clerk of Madison County, and held the office two terms, the last two years being only circuit clerk. In 1892 he again entered business in Kingston with his brother, and after following that occupation for six months was appointed receiver in the land office at Harrison by President Cleveland, and has since held the position. He has always been a Democrat, has attended State conventions, was a delegate to the Congressional Convention at Eureka Springs in 1892, and has been prominent in the political affairs of his section. He is a member of the A. F. & A. M., the I. O. O. F. at Harrison, has always been interested in the schools of his section, and is a public-spirited man. He was married to Miss Ala F. Ogden, a daughter of W. R. Ogden, and their union has resulted in the birth of six children: Jahel B., Irno, Vera, Sada, Avo, and an infant. The mother of these children is a member of the Free-Will Baptist Church. Mr. Bunch has made his home in Harrison since October, 1893, and is one of its most public-spirited citizens.

Lemuel R. Jones. Among the most esteemed and respected citizens of the town of Western Grove there is not one who has been a more faithful soldier, a more pleasant or agreeable member of society, or a more thorough and sagacious business man than Lemuel R. Jones, who is now notary public and postmaster at that place. His life of industry and usefulness, and his record for honesty and uprightness have given him a hold upon the community which all might well desire to share. He is a native of the State of Missouri, born in St. Francois County, February 1, 1833, and ninth in order of birth of a large, old-fashioned family of children born to Solomon and Elizabeth Burmam Jones, natives respectively of North Carolina and Tennessee. The parents were married in the latter State, but later moved to Missouri, where they made their home until 1834, when they came to Pope County, Ark. There Mrs. Jones died about 1836. Mr. Jones afterward moved to Searcy County, and about three years later moved to Newton County, where he married Miss Elsie Lane, and here passed the remainder of his days, dying about 1856, when seventy-six years of age. He was a farmer and one of the pioneers

Dear Mrs. King,

My mother, Maggie Bunch, died three years ago and among her papers we found a copy of the Bunch family tree. I've spent a lot of time reading through this fascinating document and at last I've decided to make a copy of our own "tree" for each of my children. I wondered if you know of any further research that has been done to explore back any farther in my branch. The last I can identify by this document is Nathaniel who is #1 in this numbering system. Was he the son of Charles Bunch and Mary Bellamy? I couldn't be sure. The dates seemed right for their marriage listed on p.34 of the copy of the tree that I have.

I would like to get any further information if anyone has been able to discover it. If there is any cost for printing or for postage please let me know. I am enclosing a

stamped and addressed envelope.

Dear Mrs. Williams:

I guess this will be unexpected to you. You see my name is Bunch. I have friends at Chillicothe, Mo. Rt. 4. who sent me a clipping from a paper you wrote about Hamilton Bunch family.

My family lived in Carroll County, Arkansas, and came from Tenn in 1850. My father was a soldier in the southern army.

We have some information on the Bunch family. Every year we have a Bunch Reunion in Arkansas. ✓

John Bunch landed in Virginia in 1851 or 52. Came from Scotland at Pertha. First record I have found in Scotland was 1444. Maybe you know of our branch of the family. There is another branch south of Springfield, Mo. Also one at Weathford, Texas.

I think some of the folk has our family tree very well figured out.

You see some of the Bunches was in the war 1776. Two in fact.

I would like to hear from you. Thank you.

Oliver Bunch

College at Plainvew, Texas - was a member of the International Choir there - went one year then married. She spent some time at the Southwestern Bapt. Seminary at Ft. Worth where her husband graduated in 1957. She was a member of the Bapt. Hour Choir that has a weekly radio program - also the Seminary Choir. They have two sons, Craig, born Dec. 29, 1954 and Kevin, born May 5, 1957. They have surrendered for foreign missions work in Java. La Moyne has to get more schooling before they can go before the Mission Board.

"Jimmy Frederick Harris our first son and second child only lived a year and 20 days.....

Jerry Joe our second son had asthma and hayfever so bad down in Okla. so we moved out to Colorado Springs when he was 9 years old. He is now at Whitworth College in Spokane, Washington, taking a pre-med course to prepare himself to be a medical missionary.

"Jimmy LaMarylis our youngest is only 7 years old and in grade school....

My grandmother could hear the cannons where they lived in Carroll County. I believe the Battle of "Prairies Grove" was the next battle fought and is the one in which my grandfather entered the war. It was winter weather. Now I do not know if Jenkins Ferry was another battle but my grandfather was injured there. He rec'd a bullet wound through the leaders of one leg and a wound in one arm. My grandfather's name was Nathaniel Columbus Bunch (I84I), son Of Bradley Bunch (I8I8). Bradley was well known because he served in the state gov. There was a Matlock family who herd grandpa was injured so they sent some of their niggars to cary him to their home where he was taken care of untill he recovered. I believe the Matlocks were wealthy plantation owners.

"Grand Lodge F.& A.M. of Arizona. Office of the most worshipful Grand master: Wilcox Ariz, June 15, 1911.

To the Brethern of the Lodges in the Jurisdiction of the Grand Lodge of Ariz. and to all Grand lodges in Fraternal Correspondence:

It is with the deepest sorrow that I announce the death of our beloved Right Deputy Grand Master,

THOMAS STANFORD BUNCH

who died in Los Angeles Calif, June 10th and was buried in Safford Ariz June 14,1911, for which purpose an extra communication of the Grand Lodge was convened. Judge Bunch, as he was familiarly called by his many friends, was born in Carroll Co. Ark. June 22, 1852, He was a graduate from a law school in Ark. and in his native county served as probate judge for one term. In 1883, he moved to Apache Co. Ariz., where he lived for many yrs, and practiced his profession, and for two terms served the county as D.A. He moved to Coconino Co. 12 yrs ago, & served that county as a member of the Territorial Council for one session. About 10yrs. ago he came to Graham Co. where he has been one of the most energetic of its citizens and public men in the development & promotion of the resources of the Co. At the last election he was elected to the Probate Judgeship.

As a public man he was very popular with all classes and in every movement for the betterment of the country he was always found in the forefront of the battle, whether educational, moral, commercial or otherwise. Any move that would tend to uplift his fellow men he was not only interested in, but active in its advancement and as a result the history of our great Territory will record the fact

of his his activities in the great moral and commercial progress of our new state in years to come. His public life has not been lived in vain, and as a community his presence and wise council will be sadly missed.
Brother Bunch was made a Mason in Ark. and at the time of his death was a member of the Safford Lodge No 16,Globe Chapter No7,R.A.M.,Arizona Cammandery No.I knights Templar, and Cacadia Chapter No 9 O.E.S He was a Past Master of Safford Lodge No. 16, and in the Grand Lodge served as Junior and Senior Grand Warden and was at the time of his death Deputy Grand Master. He was married to Miss Ova Scarborough, of Carroll Co. Ark. Dec.8th, 1878, who survives him with 3 sons Hugh, Edwin, & Thomas - to whom we extend our sincerest sympathy.
A man and a Mason held in the very highest esteem by his brethern of the Mystic tie, in whose councils and deliberations he was an important factor in all those things that pertained to the teaching of Masonry and the general uplift of his brethern. Our hearts are heavy because we shall miss him from his chair in the councils of our beloved order.
As a mark of respect to his memory let this announcement be read in open lodge at the first stated communication after its receipt and the alter Lodge suitably draped for a period of thirty days. Henry A. Morgan, Grand Master.
Attest: George J. Roskruge, Grand Secretary.

Professor E.C. Bunch recently appointed Assistant Superintendant of the Ariz. Schools, has been interested in school work all his life, and is, therefore, eminently qualified to fill the position to which he has been chosen. He is the son of Bradley Bunch, and Jane Boswell Bunch, and was born in Berryville, Ark, in 1856. His grandfather Nathaniel Bunch, Captain of the Tennessee Militia fought under Andrew Jackson at the Battle of New Orleans, and the Powder flask

carried by him during this battle is still in existance & much treasured by its possesspr, Hugh Bunch of Bowie Ariz., a nephew of Professor Bunch. In 1876 Professor Bunch first came to Ariz. and after a time left here for Oregon, but he freely confesses he was glad to return and he did so with a determination to make Ariz his permanent home. Apart from his home work as an educator, the first important enterprise in which he was engaged was the construction of a large ditch and reservoir in Ariz. Although the main work of his life has always been educational, he had during the greater part of the time been devoting much time and energy to development projects, irrigation mostly, and he completed the Owyhee Canal in Oregon, which supplies water for more than 40,000 acres of land. In addition to his school & development work he found time at various intervals to act as Justice of the Peace, Probate Judge, and Undersheriff of Apache Co. and he remembers when it was customary to adjourn Court with a six-shooter. He was also a member of the Twenty-fourth Legislature from Maricopa Co, and served as Chairman of the special committee that had charge of all the gambling legislature during the session. He is an active member of the Odd Fellows, and both Mrs. Bunch, and he are prominent members of the M.E.Church. Mrs Bunch, before her marriage, 1885 was Miss Ellen Weatherford, of Richfield Mo. Professor Bunch has one daughter, Edith, and 5 sons, Carl, Conway, Harry, Alvin, And LeRoy

Bradley Bunch, son of Nathaniel, was born in 1818, and came with his father to Arkansas. His record of public service is outstanding in the annals of early county and state government. He acquired an ordinary education while engaged in farming in the old home community in Carroll County, later removing to near Berryville, the county seat. He was county representative in the state legislature from 1854 to 1860 and again in 1866, at which session he was Speaker of the House. These cemeteries copied in Carroll County,Arkansas by Jesse F.and Annie E.Harrington,8086 Mission Blvd.,Riverside,California. Said they were copying the names of their relatives in the cemeteries at Berryville,Bunch,Rock Springs and Grandview. They are all given in this issue of the FAMILY HISTORIAN.

Maybe you already have this but if not you can write to these people as they must surely be your line of Bunch in Arkansas.

BRADLEY BUNCH

Ozark Mountaineer, Nov 1957:

Bradley Bunch, son of Nathaniel was b in 1818 & came with his father to Ark. His record of public service is outstanding in the annals of early ounty & state gov. 1 He acquired an ordinary education in the old home community in Carroll Co, laterremoving to nr Berryville, the co seat. He was co rep in the state leg from 1854 to 1860 and again in 1866. at which session he was Speaker of the House. He was elected state senator in 1862 and served in a short session in Litttle Rock and a called session in Washington, Hemstead Co, when the state gov was removed to the latter place in 1864. He was returned to the senate and served as its president in 1874, and was a member of th4 State Constitutional Convention of that year which gave Ark its present Constitution. He died Jan 9, 1890, and was buried in the family cemetery near his home north of Berryville.

The old Bradley Bunch home has become a family shrine. The Carroll Co Historical Society held a recent meeting there and designated it as the oldest house in the vicinity of Berryville, to be used continously as a residence since its erection in 1848, more than a century ago.

This well preserved old frame home must have been an exceptionally nice country home in its early day. It has two lrage rooms, with hand-hewn stone chimney at either end. What could have been a hall-way (dog-trot) was a smaller middle room. The kitchen-dining room forms an "L" in the back. The front porch, torn away by a tornado years ago, has been replaced, as has the roofing made of 3/4 inch thick, e foot long, hand-riven boards. The lumber was hand-planed with a drawing knife. The nails were made ata blacksmith shop. The lumber and the chimney stones, quarried at the nearby Charley Bunch place, were hauled to the site on on-drawn wagons.

The original hand-made doors were fastened together with wooden pegs. Limstone was burned at the quarry to make mortar for holding the stones in place and to mix with buttermilk to whitewash the building when it was finished.

The land on which the house stands was homesteaded by Andrew Jackson Waughn, Nov 15 1854, but the patent, issued by President Franklin Pierce, was not recorded until ~~Marc~~ Oct 19, 1953. The property was purchased by Bradley Bunch in March 1857. Ownership of the house has remained continuously within the family since that date. Mrs. Violet Keck, granddaughter of Bradley Bunch, is the present owner.

A copy of a letter written by Maud (Boswell) Black . Address: 708 W. Central Ave., Harrison, Arkansas. (An inquery was written concerning some history of the Bunch family.)

Harrison, Ark.
Feb. 7, 1956

Dear Mrs. Bunch,

I am very sorry that I could not reply to your letter of Dec. 29, 1955.___________ I have been very ill most all winter. First a broken leg (an old fracture hurt over) and when I was getting better I woke up Xmas morning with a chill and high fever, an absessed kidney with stone, I suffered agony with the passing of those stones, but now I a feeling better be up a part time.

Yes, I say I do remember you and Charlie visiting me so many years ago. I was very happy to have had you, Sam always came to see me each time he came back to Ark. and they are my second cousins and I was raised with them. Charlie's father and my father were first cousins. Charlie's grand mother Bunch and my father (Boswell) were brother and sister. I am now the oldest one living on the Boswell or Bunch side. Uncle Bradley Bunch obtained his education over at Nashvill, Tenn. There has always been fine school at Nashville. There is where Prof. Clark who established and owned Clark's Acadmy at Berryville, Ark. got his education. Where most all the folks of north Ark. and the surrounding parts recieved their education.

The old house that stands there at present was built in 1848. He first built a log house that served until he got firmly settled.

Uncle Bradley Bunch had a very large family of children 16 in all and 5 or 6 of them were born in Tenn.

As to the one that was hanged to a tree in the yard:; that was prevented by the arival of Ely Black an Attourney that was living in Berryville (He was son-in-law of old Dr. Baker) Ely saw this bunch of (Brush Whackers) now would be called(Garillas) in other words they were a no account cowards that lay around in the woods and stole and murdered the men's families whom were in the armies fighting. Very low class. That very bunch that were going to hang your Uncle Tom , killed my grandfather, they shot him in the back (Dirty Cowards). Ely Black arrived in time to save Tom, he was not hanged but they had a rope on his neck and when they herd Ely coming they got scared and ran for their horses. Ely told them that the army was marching up the main road and he also told them that there was no body but women and children around. So when they herd that the Federal Army was near they jumped on their horses and went away runing so when they got out of sight Ely started shooting his revolvers and they ran their horses almost to death getting away. they thought all the shooting was the army. There were some awful times. My grandfather that they killed is burried at Rule and the women of the neighborhood dug his grave and buried him.

Monnie if you were here I could tell you a lot of things. I was born in 1876 and I am now in my 80 year, so you see I have seen a lot of things in my life. I had 4 years at Clark's Academy. Charlie's brother Albert and sister Flava attended the Academy when I did.

Glad to tell you anything I can. I am so sorry for Violet. She almost worked her self to death making a living for her self and mother, the last few years of Cubbie's life. She was an awful care. I know for I visited them once or twice a year.

NATHANIEL COLUMBUS BUNCH

......"Battle of Pea Ridge, Benton County, Arkansas. My grandmother could hear the cannons where they lived in Carroll County. I believe the Battle of Prairie Grove was the next battle fought and is the one in which my grandfather (Nathaniel Columbus Bunch) Entered the war. It was winter weather. Now I do not know if Jenkins Ferry was another battle by my grandfather was injured there. He received a bullet wound through the leaders of one leg and a wound in one arm. My grandfather's name was Nathaniel Columbus Bunch (1841), son of Bradlby Bunch (1818)..... There was Matlock family who heard grandpa was injured so they sent some of their niggars to carry him to their home where he was taken care of until he recovered. I believe the Matlocks were wealthy plantation owners.

Dear Mrs. King

How are you doing with your family history?

I just quit - I have a Mrs. Bunch living across the street from me. She & her husband divorced. Her brother-in-law Jake is supposed to stop sometime and look at Bunch history. I hoped to find out about his background. There are several of their relatives here. Some are well off.

I am going to school taking a class in "Writing" for publication. I hope to rewrite Mom's life story. It is slow work, and I don't have much time. I still work on a job. Best wishes

Eunice Bradbury

Former Local Woman Honored in California

Mrs. Monnie Bunch, formerly of Berryville, was recently honored by the Palmdale Woman's Club as Woman of the Month, according to a newspaper clipping bought to this office. Mrs. Bunch's recognition came from her activities in the Palmdale Community. She, with her husband, the late Charlie Bunch, moved there in 1937, where she remained, watching the area develop and sharing a part in the community, being a most active member of the Eastern Star and the Women's Club.

Mrs. Bunch has led a most interesting life. At the early age of 7, in 1893, she, with her family, traveled by wagon, from Texas to an Indian lease in Oklahoma, where the family lived for seven years.

The family moved from there to Colorado and then to Berryville, Ark., where she was married, raised and educated her family.

From these experiences she has recently completed a book titled, "Covered Wagon to Space."

She has received a contract for the publication of this book from the Exposition Press, Inc., New York.

Her late husband was born at Berryville. He was a son of Columbus Bunch, who resided on the farm now owned by Ellis Bradley, Highway 221.

He was a grandson of Bradley Bunch, whose home place is now known as the Keck Farm north of Berryville. Mr. and Mrs. Bunch, about three years ago, spent 3 or 4 months here, at the City Apartments, following his retirement. Mr. Bunch has been deceased about two years. Before moving to California, he was employed in road construction here.

Mr. Bunch was a cousin to Mrs. J. Frank Smith and Raphu Allred of Berryville, and an uncle of Edwin Bohannan.

Rt. 1
Nowata, Okla.

Dear Mrs. King -

I am writing this letter in hopes that a few things can be cleared up - was just reading my lifes history that the only thing that I have done was finish high school and railroad which isn't true.

After graduating from High School I attended Business College at Chillicothe, Mo., approx. three months in the fall of 1933 and started railroading Dec. 15, 1933 between Vinita and Afton, Okla., remained with Co until July 15, 1937, when motherinlaw, wife and I came to California. I first worked for RomaWinery 1937 and1938 and 1939 became a special (policeman?) for two year in West Fresno. World War II was brewing so went to work for the Atchen Topeka & Santa Fe railroad from Oct. 21, 1941 until Aug 9~~4~~,1946, and have hald two jobs since leaving railroad co.

Both companys that I worked for since leaving last railroad Co have cased to exist under the original name.

Sincerely yours,

/s/ CLIFTON RUSSELL BUNCH

GRAND LODGE F.& A.M. OF ARIZONA

Office of the most Worshipful Grand Master

Wilcox, Ariz.
June 15,1911

To the Brethern of the Lodges in the Jurisdiction of the Grand Lodge of Arizona and to all Grand Lodges in Fraternal Correspondence:

It is with the deepest sorrow that I announce the death of our beloved Right Deputy Grand Master THOMAS STANFORD BUNCH who died in Los Angeles, California, June 10th, and was buried in Safford, Arizona, June 14th, 1911, for which purpose an extra communication of the Grand Lodge was convened. Judge Bunch, as he was familiarly called by his many friends, was born in Carroll County, Arkansas, June 22, 1852. He was a graduate from a law school in Arkansas and in his native county served as probate judge for one term. In 1883 he moved to Apache county Arizona where he lived for many yearsand practiced his profession, and for two terms served the county as district attorney. He moved to Coconino County about twelve years ago and served that county as a member of the Territorial Council for one session. About ten years ago he came to Graham County, where he has been one of the most energetic ofits citizens and public men in the development and promotion of the resources of the county. At the last election he was elected to the Probate Judgeship. As a public man he was very popular with all classes and in every movement for the betterment of the country he was always found in the forefront of battle, whether educational, moral,commercial or otherwise. Any move that would tend to uplift his fellow men he was not only interested in, but active in its advancement and as a result the history of our great Territory will record the fact of his activities in the great moral and commercial progress of our new State in the years to come. His public life has not been lived in vain, and as a community his presence and wise council will be sadly missed. Brother Bunch was made a Mason in Ark and at the time of his death was a member of the Safford Lodge No. 16, Globe Chapter No. 7 R.A.M., Arizona Commandery No. 1 Knights Templer, and Arcadia Chapter No. 9 O.E.S. He was a Past Master of Safford Lodge No. 16 and in the Grand Lodge served as Junior & Senior Grand Warden and wat at the time of his death Deputy Grand Master. He was married to Miss Ova Scarborough, of Carroll County, Arkansas, Dec. 8th, 1878, who survives him with three sons, Hugh, Edwin and Thomas - to whom we extend our sincerest sympathy. A man and a Mason held in the very highest esteem by his Brethern of the Mystic tie, in whose councils and deliberations he was an important factor in all those things that partained to the teaching of Masonry and the general and moral uplift of his brethern. Our hearts are heavy because we shall miss him from his chair in the councils of our beloved order. As a mark of respect to his memory let this announcement be read in open Lodge at the first stated communication after its receipt and the alter Lodge suitably draped for a period of 30 days.

Henry A. Morgan, Grand Master

Attest: George J. Roskruge, Grand Secretary".

WHO'S WHO IN ARIZONA, pub. 1913, page 316.

Professor E.C. Bunch recently appointed Assitant Superintendent of the Arizona Schools, has been interested in school work all his life, and is, therefore, eminently qualified to fill the position to which he as been chosen. He is the son ofBradley Bunch and Jane Boswell Bunch, and wasborn in Berryville, Arkansas, in 1856. His grandfather, Nathaniel Bunch, Captain of Tennessee Militia, fought under Andrew Jackson at the Battle of New Orleans, and the powder flask carried by him during this battle is still in existance and much treasured by its possessor, Hugh Bunch of Bowie, Arizona, a nephew of Professor Bunch. In 1876 Professor Bunch first came to Arizona, and after a time left here for Oregon, but he freely confesses he was glad to return and he did so with a determination to make Arizona his permanemt home. Apart from his home work as an educator, the first important enterprise in which he was engagedwas the construction of a large ditch and reservoir in Ariagnna. Although the main work of his life has always been educational, he has during the greater part of the time been devoting much time and energy to development projects, irrigation mostly, and he completed the Owyhee Canal in Oregon, which supplies water for more than 40,600 acres of land. In addition to his school and development work he found time at various intervals to act as Justice of the Peace, Probate Judgeand Undersheriff of Apache/ County and he remembers when it was customary to adjourn court with a six-shooter. He was also a member of the Twenty-fourth Legislature from Maricopa County, and served as chairman of the special commitee that had charge of all the gambling legislature duging that session. He is an active member of the Odd Fellows, and both Mrs. Bunch and he are prominent members of the M.E. Church. Mrs. Bunch, before her marriage in 1885, was Miss Ellen Weatherford, of Richfield, Mo. Professor Bunch has one daughter, Edith, and five sons, Carl, Conway, Harry, Alvin and Leroy.

Mr. Nathaniel [illegible] Bunch
706 East 9th St.
Coffeyville, Kansas

My dear Mr. Bunch:

I am seeking information about the Bunch family and I wrote to Carl Bunch of Phoenix, Arizona, and received the following reply. Thought it might interest you as he apparently is of your branch of the family, although I could not find the connection in examining data you sent me.

Mr. Richard H. Bunch
Chicago, Ill.

Dear Mr. Bunch:

I received your letter of Feb. 22, regarding the genealogy of the Bunch family. The data you have that my grandfather was Bradley Bunch, and that my father was Elias Conway Bunch is correct. My father came to Arizona about 1876 and I was born at St. John, in Apache Co., Jan. 1884. There are two brothers living here: Alvin L. Bunch and Leroy Bunch, and one sister, Mrs. Edith Strough. I never heard very much about my ancestors but I do know that my father's brother, T.S. Bunch, was here in Arizona and he had three sons, Hugh, Edwin and Thomas. My father was born near Berryville in Carroll County, Arkansas, and my grandfather lived there until his death.

(Signed) Carl Bunch
Rt. 10, Box 637 B
Phoenix, Arizona

I received a letter from your Uncle Will Jack Bunch in which he states that he was born in Newton Co., Feb. 25, 1868; his father, Charles F. Bunch was born in 1844 and died in 1928. His grandfather was born in Overton Co., Tenn., in 1812, moved to Missouri when a young man, and stayed two years before moving to Arkansas and settled back in the Ozark Mts.

In looking over data you sent me I see you neglected to give your father's family, wife's name and name of children. Neither did you include your own family. Would like very much to have same, including dates. I figure you are descended from David (1722-1776) and Mary. I have succeeded in getting descendants of their sons, John, William and Pouncy. Pouncy was my great-grandfather. Believe I have a start on descendants of their son David.

Will J. Bunch said would write a woman in Mars who he thinks has information. In having postal connection with Mars, Arkansas is far ahead of balance of the Country!

Sincerely yours,

(Signed) R. H. Bunch.

Dear Geneva:

You do not know me, but my Great Grandfather was William Joshua Selby - son of Nathaniel Selby and Obedience Bunch as I found out in the last two months.

I have been working trying to compile the desceandants of my Great Grandparents since about September, 1978. Since that time, I have becmme so interested, that I am starting to compile on all branches of every generation. So, you see I have quite a job.

Thus far, I am not certain that I have all the children of Nathaniel and Obedience, and thus far, I am not in touch with all of their children's descendants.

Thanks to a John Little of Kingston, he put me in touch with some of the Bunches and thus I wrote to Nettie Pitcock at Sunnyvale and bought a copy of what she had on the Bunch Family. I was quite disappointed that there was no information at all included in the book on the Selby. It was my hope to learn of some of the names and addresses of the family today. Even on the Bunch Family, I have no addresses, but guess in time that I can learn of their location.

Jack Little advised that a Mrs. Dan Hemphill of Odess, Texas of the Nancy Elizabeth - Selby-George Washington Howell was trying to contact some of the Selbys through queries. I wrote this old address and my mail returned. I had no record of this Nancy Elizabeth being a daughter of Nathaniel Selby and Obedience Bunch. However, I wrote to Odessa in an effort to try and locate her or some of her descendants and so far, without reply. Anything you can help me with on my Selby's would certainly be appreciated.

They advise me there is to be a family reunion of the Bunches in Springdale in June. Do you plan to attend. It is my wish to try and get down for the day in order to get acquainted with some of the family. I have a few family obligations, so just will have to wait and see.

I was through Nowata yesterday and planned on calling you. I contacted Mrs. T. R. McSpadden who is a relation on my Father's side of the family. It started pouring down rain and turning cold and since my son needed to get home in order to get back to Tulsa today, we hurried on home. William attends college at University of Tulsa.

I wanted you to know that someone exists on the Selby side - William Joshua - and just had to write to you to say hello.

Also, I wanted to ask, in your records, do you show a Bonnie Jane Lindsey married to an Allred and in about 1959 her father's obituary showed her living in Tahlequah. Thought possibly it might be one of the Allread/Bunch families.

If you have time, I would like to hear fromyou.

Sincerely,

Imagene came through Nowata in Aug. 1983, and called me. I am sure I answered her letter of 1980, but she didn't seem to think I had.

On Sept 10 sent her 59 xeroxed pages of material. (noted on backs of pages copied)

Dear Geneva:

I was so surprised and pleased when I got the packet from you on the Bunch Family - incldding the census of the Selby Family. I don't want to insult you by asking what I owe you for the copies - The William, age 10 living with Sarah - 17 and John H. Gibson, certainly has to be my Gr. Grandfather William Joshua b. July 10, 1850. Thank goodness they have the initial J. on the 1850 census.

I note that the Handy Book shows that Newton Co. has div rec from 1820, land records 1866 and pro, civ ct. rec. 1880. Why is there such a span in what they have? Appears that if court house burned records would be missing in between. Have you gotten any copies of any kind of records from this County? I was told by a friend researching there - they were not very helpful, and neither was the Society. Anyway, I have stuck to Carroll Co. and have just gotten there book (Co. History) just released, yesterday.

I did purchase a book of marriages for Newton Co. - which did not help. Need the federal census for all those counties, as I would like to know what happened to the Gibson Family William J. was living with in 1860. I got in touch with a decendant of the McCollough Family - but no light or Selby Family Records.

Joshua Selby and wife Millie Orme may turn out to be parents of Nathaniel Selby, also of Overton Co..

I note that you mentioned R. H. Bunch and Nathaniel Bunch of Coffeyville, Ks. - My Grandmother was Flora Tygelia Selby (William Joshua Selby & Sarah Elizabeth Batton, parents) and she md. Noah/Dick Hazelbaker ca. 1893. I don't have their marriage date, but was told they married in Kingfisher, Ok. -

Now 1880 the Hazelbakers are in Montgomery Co., Kansas - 1900 in McDonald Co., Mo.. I haven't figured out how they could have md. in Okla.- where was their meeting place. My response from Kingfisher was the court house burned, but in 1893 time period, we were not a State. So, I have tried to pursue Indiana records when I am in Okla. City, and never enough time. The Civil War put so many people in Kansas and Texas and hard to get all the places searched when you have limited time.

I read in one of Carroll Co. Publications where Mary Nunnelly gave volume that Liberty Cemetery was given stating that you were one of the copiers. I wonder who has the 'Aunt 'Biddie's Journal'? I would dearly love to have copy of the originial. Who would have the original??

You were talking about Nathaniel Bunch killed some man - was this Nathaniel w/ wife Sarah Wade Wray? Did this happen in Ark. or Tenn.?

One thing about it, the BUNCH Family is certainly plentiful - you come across them in about every telephone book.

We had our first Selby Reunion over Labor Day - descendants of my Gr.gpts. So well did everyone like it, we are going to start it a yearly gathering. Next year, it will be at Harrison, Ark. so am hoping that I can spend a week in that area prior to (even before) and just research.

You are the most consideerate person to send me what you have - what a joy it was to readthe pages. But, I do want to pay you for the expense of the copies.

I have purchased all the Tenn. Ansearchin from 1959 to date - hopefully to locate some of my famillies. I copied some research material from it that shows the Chancery Courts were set up in different places other than County Seat. Example: 1835 Grainger, Claiborn and Campbell Counties were at Tazewell. You probably alread y have this. Seems for this one time period 1835 is all that I have abstracted.

Since I have just acquired all the Ansearchin in the last year, I have been trying to go back thru all the ones that I have 'markers' in and extract.

If I can help you in any of these books, I will be glad to do so.

Must close - Thank you again for your consideration.

By the way, I did see Gove Bunch, Bernice, at the Arts and Crafts Show here in Grove the 3rd of Sept.. The reunion will be there at Bernice next year. I ask him about the 'Journal' and if he had copy - he invited me over and we would look thru and see what he had.

My best toyou and yours,

Sincerely,

Imogene

Dear Mary:

I received your form letter of 25th of June regarding Geneva King. Another party in Nowata that advised me she was working on BUNCH several years back, sent me her obituary. It really came as a shock to me -

I called Geneva about a year ago when in Nowata and we visited for about an hour on the telephone. She had wanted me to come out, but at the time we were helping my brother move to Rogers, Arkansas and since she lived so far out, I didn't try and make it.

Geneva did tell me that she hadn't worked on genealogy for a 'long time' and had it all stored upstairs. Guess she must have gotten interested again when digging for me. (Then I had a party contact me on 'King' who had ancestor Joshua King, and I thought possibly she and Geneva might have been of same Joshua, so I referred her on to Geneva.)

There is a yearly Bunch Reunion - not all the descendants, I don't think. They have it different places each year. This year it was to be at Gove Bunch, Bernice, Oklahoma, and I amnot sure the date. It could be already over with. You might contact him. Iattended the one at Springdale about three years ago, after learning of it. No one seemed interested really on how I fitted in, etc., so didn't attend the next year when receiving a card. I think it depends on who is having it if you are getting a card....

I have thought about you so many times since we last corresponded - you wanted my family group sheets. I still don't have all the descendants of my Great Grandparents William Joshua Selby b. 1850 and wife Sarah Elizabeth Batton. Then, I was wanting to do research in Newton and Madison Counties to get some documentation to what I have been told on Nathaniel Selby and Obedience Bunch being my GG. All I have is a typewritten history of Bunch, which almost everyone has, plus the census record that Geneva sent me. (Living in small town, we don't have research material to any extent and when I go to Okla. City or elsewhere there is never enough time to do all that one needs to do to proceed to next generation). I have been trying to locate parents of Nathaniel Selby and currently corresponding with some Selby researchers

The descendants of our Gr. Grandparents started a reunion last year - this year, over Labor Day, it is going to be near Harrison, Ark.. Sept. 2, Sunday, at the Pavilion at Bull Shoals 10 a.m. to 3 p.m.. This time is set so that those that come afar can go on to Branson or do what they want to. Time set is where we can just visit and get acquainted. All are invited - if you are interested. Milton J. Martin, R. 1 Box 229-B Lead Hill, Ar. 72644 - phone 501-436-5705 can make reservations for you. I think that we will either go over with my brother and wife in their motor home or we will pull our travel trailer. But, he does have Motel's lined up for those that want. (9 in all - at different locations - Lead Hill, Diamond City and Harrison)

Page 12. Death of J/ames M. Bunch

James M. Bunch died at his home five miles south of the city (Berryville), last saturday night from a complication of pulmonary troubles of lond standing. He was born in Newton Co in 1849 and lived in that and adjoining counties ever since. He was a brother to J.C., H.L., and Andy Bunch, of this city, and we understand he has eight brothers and sisters living, he being the first of twelve to pass away. He was county surveyor, an office he has held continuously for about fourteen years. He leaves a wife a eight children. His remains were laid to rest in the Rush cemetery south of the city Monday evening. Peace to his ashes.

SUPERIOR BUNCHES. Jim and John Bunch have it all figured out on how to study. These freshmen at the University of Arizona have the perfect grade averages to prove it. Jim, left, a junior, had all 1s as a sophomore. John made his perfect marks last year as a freshman. The Bunches are from Superior and thrive on courses like physics and mathematics.

SCHOLARLY BROTHERS REJECT CRAMMING

by Hugh Harelson

Tucson. The Bunch brothers, Jim and John, think cramming for an examination is an academic evil.

"It just doesn't pay," expalined Jim. "You're better off paying attention in class and doing your work day by day."

Jim and his brothers have combined that formula with brain power for great classroom success.

Last week, both young men were honored for perfect 1 grade averages at the University of Arizona. John made his marks as a freshman last year and Jim as a sophomore.

Both warmed up for college work by earning remarkable records at Superior High school.

The brothers made straight 1's through four years of high school and each became valedictorian of his class. John also was a student body president and Jim was student reasurer.

The two avoid so-called snap courses. They thrive on physics and mathematics.

Jim, a 20-year-old junior now, had all 1's throggh 45 units of sophomore work. That's 11 units more than the normal load.

This semester, Jim is mastering 21 units, including three physics courses, classes in math and anthropology and conversation courses in German and Russian.

He's worked about getting a 2 in math because of the predominance of graduate students in the class.

As A UofA freshman, Jim missed getting perfect grades by receiving 2s in English composition and physical education.

The brothers study about 40 hours a week. Neither in an intellectual wallflower and put aside Friday and Saturday evenings for dating.

The two agree that the UofA campus abounds with students who "aren't getting enough out of college."

"I don't think a lot of the students should be here in the first place," said Jim. "Admission requirements ought to be higher. More junior colleges should be built to take care of the unqualified."

Jim and John believe the good scholar is steadily gaining more respect on the campus.

"But Students probably still will respect you more if you make a touchdown," said John.

(over)

A sound, basic education at Superior High School is creditec by the brothers for their education progress.

"We didn't have any frill courses at Superior," they recalled. #### "Our ~~M~~math teachers, Ray West and Richard Meyers, were especially good with solid, fundamental instruction."

Jim is majoring in math and physics and is considering a teaching job in college. John, a math major, might pursue the same career, but isn't counting out industry for a fugure.

Both are studying at the UofA on Magma Cooper Co. scholarships worth $400 a year.

Their parents are Mr. and Mrs. Raymond Bunch. The father is a fegrigeration mechanic in the underground mines of Superior, and the mother teaches second grade.

Mrs. Garland B. King:
Route 1
Nowata, Oklahoma

Dear Mrs. King:

I have recently come across a copy of the Bunch Family Record book and would like to add some information to it pertaining to the family of James "Jim" Bunch, #1-8-1-3. I have typed this in the manner I believe the rest of the book is put in. At least I hope so. If not, will you please make any corrections needed as to numbers, etc. I am Edna Bunch Rule, eldest daughter of Roy W. Bunch, oldest son of James "Jim" Bunch. As you can see there is a few of the birth dates I do not have of some of my cousins and their children but if and when I get them, I will forward them to you. If you are no longer handling this, please forward to whoever needs it.

We, my husband and I, did not attend the family reunion this year due to my having to have some surgery done at that time, but if nothing goes wrong, we plan to attend next year. If you need additional information, please contact me at my address or phone number below and I will be happy to help you any way I can. I am in contact frequently with most of the people I have mentioned since we are all located fairly close together and visit fairly often. We used to have a reunion or get-together at least once a year at my parents farm, but it has gotten to be too much for Mother and Dad and we don't see other all at the same time anymore. But since several of them live here in Tulsa, I do talk to them occasionally and actually see them more often than we call each other. We all work just about and what with our jobs and houses don't have too much time to visit. Or are too lazy one. I don't know which. At any rate, if you are ever in Tulsa, please call or come to see me, I would love to see you and perhaps learn more of Dad's family. I never realized just how

large it was until I read the "journal" and also we went to Berryville, Arkansas this past summer on vacation with Mother and Dad and I talked with some of the family then. We want to, if possible, go back this fall for a few days if we can get a chance and look over the old Bunch homestead (we were there briefly this summer) and spend some time getting acquainted with the area and some of my "kin". This is all very interesting to me as I had never realized I belonged to quite this large a family.

One of my Brother"s wife, Erma Jean Horton Adams Bunch, was born and raised near Nowata I believe. She said she knew of the Bunches from Nowata but we had never realized they were related to us.

I will close and hope this finds all well. As I mentioned above, I hope I have entered all the information you need but if I can be of further help, please let me know and I will be happy to oblige. Please forgive the typing, but I have done quite a lot of typing at work and find I tend to make mistakes when I am tired. Perhaps you can make out what I mean.

Sincerely,
Edna Rule

ORPHA KELLAMS WEDS MR. BUNCH

Saturday Ceremony in Broken Arrow Church

Miss Orpha Ann Kellams and Loy Dean Bunch were united in marriage Saturday in the Broken Arrow Nazarene church. The bride is the daughter of Mr. and Mrs. H. D. Kellams, Broken Arrow, and Mr. Bunch's parents are the Rev. and Mrs. Clay Bunch, Broken Arrow.

The Rev. Bunch officiated at the ceremony, and Mrs. Earl Simmons presented traditional wedding music and accompanied Earl Simmons, vocalist.

Given in marriage by her father, the bride wore a ballerina-length dress of nylon chiffon over taffeta. A tiara of pearls secured her veil of illusion. She carried a bridal bouquet of white carnations centered with a white orchid.

Mrs. Paul Watkins was her sister's matron of honor. Candlelighter was Miss Fran Bunch, sister of the bridegroom. They both wore ballerina-length dresses of blue organdy over taffeta.

Jack Stone, Broken Arrow served as best man.

A reception was held in the home of the bride's parents. Mrs. A. E. Carey Jr., sister of the bride, and Mrs. Thomas Langford, sister of the bridegroom assisted.

Mr. and Mrs. Bunch will make their home in Tulsa.

Dear Mrs. King:

We were given your name a year or so ago by Hugh Bunch at Cleveland, Okla., to contact about the history of the Bunches.

I wanted to check & see if you still have the books and if the price is $5.00, so am enclosing a self addressed envelope for your reply. If you have it available I will send you a check by return mail.

My husband is Winfred Case Bunch, son of Walter Bunch #1834. Perhaps you are interested — I was Elizabeth Deuel, we were married Aug 7, 1939 — have 2 sons Steven Louis born June 19, 1946 and Bruce Case, born Oct. 8, 1952.

Thank you,

Mrs. W. C. Bunch

FANCHER ANCESTRY OF MARGARET BEE SEITZ

From: "The Fancher Family", by William Hoyt Fancher, 1947.

RICHARD FANCHER, thought to be a brother of Catherine, William Hannah, John and David Fancher, is found in Stamford, Conn., about 1725 to 1730. He removed to Roxbury Twp., Morris Co., N.J., where he died, sometime between 29 Oct. 1764, when his will was made, and 12 Nov. 1764, when it was probated in Morris Co. His will names his wife as Martha. Five children were baptised in the New Cannaan Congregational Church at New Cannaan, Conn. and his will names William, Benjamin, David, Richard, Martha (Bell), and Amy as his children then alive.

Children:	1.	Capt. Richard,	born 17 Aug. 1731)	twins

	3.	William	bapt 19 Oct. 1735)	twins	Bapt in Stamford Cong. Ch.

DAVID FANCHER, (no. 6 above), born about 1738. Moved from Morris Co., N.J. to Sussex Co., N.J., before 1763; was in Berkeley Co., Va., before 1788 and left there about 1782 for Rockbridge Va. He was in the latter place in 1787 and may have died there. He received a land grant from Gov. Patrick Henry of Va. 18 March 1782, signed 18 Oct. 1785. In the Va. tax lists David appears in 1783 and up to 1 May 1787 when he and all of his family are lost sight of. About Oct. 1776 David Fancher was among the signers of a Dissenters Petition from Ecc. establishment in Va. He was married in Morris Co., N.J. Children, born in N.J., order uncertain:

29½ Richard, born about 1756
30 Isaac, born 27 Dec. 1760
31 James, " 19 Sept 1763, Sussex Co., N.J.

RICHARD FANCHER, (no. 29½ above), born about 1756, possibly on Long Island, New York. Died in Overton Co., Tenn., 21 May 1829. He married, in Spottsylvania County, Va., in 1782, Sarah Journegin, born in Spottsylvania Co., in 1765 and died in Osage, Ark., 5 Oct. 1839, being blind.* Richard Fancher served 7 years in the Revolution. He was a private in Capt. Thomas Berry's Co., Col. Abraham Bowman's 8th Regt. of Va., and entered service 1 March, 1777. He is reported sick in Carolina 2 Sept., 1777. He was under Gen. Francis Marion part of the time. Was at the battle of Fort Moultrie in Charleston Harbor. Family tradition states he was with Sgt. Jasper at Fort Moultrie when he retrieved the flag and held it in place until the pole could be spliced. This was by some suppossed to be for sentimental reasons, but Richard Fancher said he understood the city was to be burned if the flag went down and by holding the flag in place the city was saved. He was in some Indian skirmishes in North Carolina following the Revolution. Children, born in Stokes County, N.C.

SKIRMISH AT WHITELEY'S MILL (Boxley) on April 5, 1864.

Report of Maj. James A. Melton, 2nd Ark. Cavalry (Union), Apr. 10, 1864.

"General: I have the honor to report that on the 5th instant, a scout of this regiment numbering 50 men, under Capt. Orr, Co. C, and Lt. Bell, Co. I, attached the enemy under Cecil, Cooper, Patton and not unlikely Green, all chiefs of the guerilla bands, concentrated to the number of 250 men atWhiteley's Mills on the headquarters of Buffalo River.

The enemy had been warned of the approach of Capt Orr and had formed to receive him. They were partly mounted and partly dismounted. Capt. Orr dashed into their camp and twice broke their line of cavalry. After a fire of musketry about two hours duration, the ammunition being nearly exhausted, Capt. Orr withdrew, with the loss of private John H. Murry, Co. F., killed, and Obed W. Patty, Co. I, missing. Private Gustavus Bishop, Co. C. was wounded. The man missing had his horse shot dead under him, and is probably a prisoner, if not killed.

The loss of the enemy had not been ascertained, beyond one wounded. The same day, a detachment of 15 men, under Sgt. ___, Co. I. was sent out on a reconnaisance. The party, through some misunderstanding, divided into two squads, one of which (7 men in all) undertook to escort some refugee families they met with the lines, while the other squad moved in another direction. Those 7 men thought themselves comparatively secure, being 3 or 4 miles from camp. At a distance of less than 2 miles from camp the unfortunate squad was charged and fired upon from the rear, and Pvt. Simeon Meek, William E. White, Co. F., and Charles A. Dilda, Co. I., were killed or wounded (& since died) before they were aware of danger. The rest made their way safe into camp.

I am, general, very respectfully, your obedience servant,

James A. Melton.

James Larkin Villines was 2 years old when the battle of Whiteley's Mill was fought. (He was son of Robert and Matilda C. (Whiteley) Villines). As a young boy he later saw much of the battle ground. The Whiteley Mill then stood on the same ground that the present old water mill stands, and where Mr. Villines was miller for many years. He says that the rebel army was camped opposite the present Duty store (Boxley) and that the Union Army attacked the enemy with mounted and unmounted tropps, being assisted by cannon located on the flinty ridge. John Cecil, the well-known, well-loved, sheriff of Newton Co., was the leading rebel Capt. in this battle. Mr. Villines can see the old Water mill, built in 1870, from his front porch.

WHITELEY POSTOFFICE

Whiteley postoffice was established Dec. 1, 1851, with Jesse T. Casey, postmaster. Jan. 15, 1853, John Arington; Aug. 4, 1853, Thomas Clark; March 29, 1856, Joseph I. Marshburn; March 17, 1857, Abner E. Casey; the office was kept in the homes of the postmasters and all lived in the community of what is now Walnut Grove school house, south of the present Boxley postoffice. Mail was received and returned once a week from Huntsville, Madison County. Office was discontinued Sept. 1866. This postoffice was named in honor of Samuel Whiteley, first settler of what is now Boxley.

TOWN OF BOXLEY:

Located on the head waters of Big Buffalo in Section 10, Township 15 North, Range 23 West. It is a very old community, first settled by the Whiteley's, Caseys and Villines. It was first known as Whiteley. After the Civil War a merchant by name of Boxley had moved into the community. The name of the community and of the new established postoffice became known as Boxley. Boxley, the location of the historical saltpeter cave, was a hot spot during the Civil War.

WHITELEY MILL:

The old water mill, first built by Abner Casey, below the Boxley spring, was a godsent to the early settlers of the upper Buffalo River valley. Abner Casey, Sr., born in S.C. 1786, was an experienced miller before coming to the Buffalo River vally about 1840. Samuel Whiteley was born in Virginia, 1797, and was one of the first settlers of the Buffalo River vallgy. He soon became the owner and operator of the mill built by Casey. The mill then became known as the Whiteley Mill.

-- Walter Lackey, 1959.

SAMUEL WHITELEY:

Samuel Whiteley was born about 1796 or 1797 in Virginia, married Lucy Mainard about 1816. He was shot down at his mill on or October 12, 1862.

-- page 6, "Whiteley's in America", 1922.

Samuel Whiteley, born 1797 in Virginia, married Lucy Mainard, daughter of Jess and Martha (Lawrence) Maynard, probably in Tenn. Established a Mill on the Buffalo River in Newton County, Ark. Also founded a church in Newton County in 1833 (?). Lucy died Feb. 24, 1860 (Bible record). Samuel died Oct. 11, 1864 (Bible record). Samuel is buried Liberty Cemetery.

He is about whenever he pleases. The 1st Regiment is started this morning to meet the Feds which is Reported to be advancing on us. We have here in all the commnads, some 20,000 troops. We are ordered to stay here till we are armed. We will be here some time if no bad luck in the advancing troops. I have nothing of interest to write,you.heard of our stampede at Huntsville. Larkin was Mar: on Oct.24, 1852, to Eliza Maxwell, who was b, May 8, 1835, in Overton Co. Tenn. Dau of Joel& Clarissa(Moore)Maxwell. On Nov.28,1878, Eliza mar:(2nd) J.C. Reeves of Dry Fork Ark, she died April 12,1891, and was buried in Liberty Cemetery.

OBITUARY

REEVES- Mrs. Eliza Reeves (nee Maxwell) dau. of Joel & Clarissa Maxwell, was b. in Overton Co.Tenn May 8, 1835. At the age of 4 she, with her parents moved to Ill, where her father died. Two yrs after with her widowed mother she removed to Johnson Co. Ark. where they remained 5 yrs, and then removed to Franklin Co. In Sept. 1852, while on a visit to her grandfather Moore's in Madison Co, she was converted at the Methodist Camp-ground on King's river, & on the 24th day of the following October she was happily married to Larkin Bunch of Newton Co. He was a member of the Freewill Baptist Church, a bro. of Hon. Bradley Bunch of Carroll Co. A man of good repute. In 1855 she joined the M.E.Church South, at Shiloh and from the day of her accession to the time of her triumphant departure, she was a devoted and useful member. In 1864, her husband, Capt. Bunch, was killed in the battle of Pilot Knob. She was left with 5 helpless children to raise. By her industry and economy she did this creditably. They are all living, and all save one are members of the Church, two Methodist, and two Free-will Baptist, all are honorable & respectable citizens. The present Circuit Clerk of Madison Co. is a son of hers. Nov. 28,1878 she was again happily married to J.C. Reeves, of Dry Fork, Uncle John, as he was called by his neighbors, was a leading member of both the M.E. Church South and the community, a well-to-do farmer. Her home was always characterized by a generous hospitality. It was the home of both Methodist, and Baptist preachers. Eight years ago, this writer, together with her pastors, G.P,R.Bandzant, P.C. & H.C.Jolly P.E., had the pleasure of a visit to her happy home. All who came under her roof felt that hers was a happy home, and that all the inmates thereof, were heaven bound. I am told by her pastor, J.W.Griffin that she every morning, despite the pressure of business, read a chapter in the Bible. She was held in high esteem by a host of faithful friends from whom she, by the consistency of her christian life, drew about her. She got the LaGrippe, & Pneumonia,& tho her friends & devoted husband did all they could, on April 12,1891, she died in Peace. She leaves her aged mother, 4 sons,1 Dau, & sorrowing husband who says"She was a good Christian Woman". A large company of neighbors attended her burial. "Let me live the life of the righteous, and let my last be like hers.

From Berryville, Ark., paper, 1954. Article on ELIZABETH JANE REEVES-BUNCH When She was 95 - by Edith McCall.

I am afraid that I'll have to disagree with the person who said"Beauty is only skin deep", for after meeting this precious soul, who last July passed her 95th birthday, I find her to be one of the prettiest women I have ever met and her beauty comes from her very heart and soul. To better describe Elizabeth Jane is to put it into words like this:

She is good as she is fair,
None here on earth above her;
As pure in thought as Angels are,
To know her is to love her.

Ples and Mary Reeves were among the pioneer people who settled in the Dry Fork community and helped to establish the Shiloh Methodist church in order that their children and neighbor's children would have a place to worship. It seems that this church has been there from the beginning with the community growing around it. What a wonderful foundation to build a community.

Elizabeth Jane was the oldest of the three Reeves children and was one of the many children who grew up in the shadow and shelter of this little church. She also grew up knowing that every garment she owned must first begin with a tiny boll of cotton picked and carded, then to the spinning wheel, on to the loom and then many hours sewing by hand before that beautiful Lindsay dress became a reality.

At the age of seventeen, Elizabeth became the bride of Stillman Bradley Bunch a descendant of the Honorable Bradley Bunch who was a farmer of Carroll county and was known as one of the most prominent citizens of Northwest Arkansas. From those I have met, these Bunch men, have a "knack" for choosing wonderful women.

The wedding took place on February 1, 1877, in the home of Elizabeth's parents with only a few close friends present. The late Isaac Whiteley, a United Baptist minister read the ceremony. Following their marriage, Mr. Bunch took his bride home to the house where he was born. Today part of her home is the original house she went to as a bride.

Seven children came to bless this couple; six girls and one boy who passed away at the age of fifteen following a severe case of appendicitis. The daughters are: Mrs. Sally Eden of Rocky, Oklahoma, Mrs. Ova Eden of Preston, Texas, Mrs. Mary Whiteley of Twin Falls, Idaho, Mrs. Mirtie Armes of Boulder, Colorado, Bell and Genia Fancher both of Huntsville, Route 4.

Mr. Bunch passed away on his birthday, August 27, 1935, following a short illness.

Can you imagine Elizabeth keeping dresses made for all those six daughters, to say nothing of the clothes for the rest of the family? At this point of our conversation, I asked her if she didn't find the going pretty rough in those days with all the work that had to be done in preparing cloth before it could be made into clothes. She only laughed at my question and went on to say how she sat up nights weaving and spinning with no light except that from the old fashioned fireplace.

What a beautiful picture that must have made, this little mother, with the face of an Angel, sitting there making her spinning wheel hum to the tune of the many religious songs she sang such as "Savior like a Shepherd lead us, much we need thy tender care, In they blessed pastures feed us, all thy joys and love to share".

Elizabeth has always been some what of a perfectionist in everything she did, but the one thing that made her "get up early and work late" was the mere sight of a weed in her garden; she hoed weeds; she pulled weeds, she literally went down into the good earth after them. It was certain death to any weed that happened to pop up overnight. She kept up the battle of "Elizabeth vs Weeds" until she passed her 90th birthday.

She is a person who could never stand to be idle and when she could no longer work in her garden she began asking her neighbors for rags to be made into rugsstrings; they brought her sacks of them and it was not long before those neighbors and friends were being paid dividends for their rags, "Aunt Elizabeth" repaid them in the prettiest crocheted rug patterns you ever saw.

Did I say before that she is sweet? Well she is more than that, she is so precious she is priceless and most certainly a person who can never be forgotten by those who know her.

Aunt Elizabeth has never had the worry of moving around. In fact she lives within three miles of the place where she was born.

She has 41 grandchildren, 66 great-grandchildren and 14 great-great-grandchildren. At Christmas last year these children were in doubt as to the gifts to give her, so they finally decided to each giverher a dollar, now this idea did not make her a rich woman, but count up the number of dollars she received. No, she tells me, "I love these grandchildren of mine and I am proud of everyone of them, and I do know this - to have so many they are the best bunch on earth, not a heartache from any of them."

Aunt Elizabeth, I have always said no one on earth come come up to my mother when it comes to patience, love and kindness, but you surely run a mighty close second to her.

From Eureka Springs, Arkansas paper. Article on ELIZABETH JANE REEVES-BUNCH when she celebrated her 100th Birthday on July 14, 1959.

Mrs. Elizabeth Jane Reeves-Bunch celebrated her 100th birthday anniversary at her home at Dinsmore, Ark., Tuesday, July 14, with relatives and friends dropping in to congratulate her. She received many cards of good wishes. A big dinner was served, with four beautifully decorated cakes.

The day was spent visiting and taking pictures. When the above picture was taken by her great grandson, Joe Head, of this city, she said, with a sly grin, "I don't look so old, do I?"

On February 1, 1877, she married Stillman Bradley Bunch, who passed away in 1935. They were the parents of six daughters and one son. Living are: Mrs. Sallie Eden of Rocky, Okla., Mrs. Ova Eden, Princetown, Texas, Mrs. Mary Whiteley, Twin Falls, Idaho, Mrs. Belle Fancher, and Mrs. Genia Fancher of Rt. 4, Huntsville. Deceased are Ottie Bunch, who passed away at the age of 16, and Mrs. Mirtie Armes. She has forty living grandchildren and five deceased, 83 great-grandchildren and 27 great-great-grandchildren.

Mrs. Bunch is living on the farm where her late husband was born and where she has lived since he took her there as he bride eighty-one years ago. She has led a very busy and full life, but for the past two years her health has been so that she could not have much activity or excitement. However, she is able to spend several hours each day out of bed.

Out-of-state relatives present for the occasion were Mr. and Mrs. Noble Whiteley and daughters, Beverly and Brenda, of Twin Falls, Idaho, Mr. and Mrs. Winfred Eden, Rocky, Oklahoma, Mr. and Mrs. Earl Eagleson, Columbus, Kansas, Mrs. John Bowman and son, John Alan, of Tulsa, Oklahoma, John Alan was the only great-great grandchild present.

Relatives from Eureka Springs were Mrs. George Head and son, Joe, accompanied by Miss Kathryn Clark, of Berryville.

Mrs. Bunch says "Live a clean life, keep busy and stay happy", her recipe for living to be 100 years young.

The following was copied from an "Arkansas History" published in 1889, copied by Carl Bunch, Springdale, Ark., on 1 Dec 1953.

"Bunch Brothers. The mercantile interests of Madison Co., Ark., are ably represented by the above named firm, which consists of Joel N. and John A. Bunch. They began their mercantile career in Kingston in 1880, and by their industry, honesty and good business managment have secured a large and lucrative trade. The senior member of the firm, Joel N., was born in Newton Co., Ark., April 21, 1856, and received a liberal education in the home schools. In 1875 he engaged in tilling the soil, which occupation he continued until 1880, when he came to Kingston and engaged in merchandizing. In 1884 he was elected to represent Madison Co in the State Legislature for one term, and served with entire satisfaction to his constituents. He is a Democrat and a Mason, being a member of the chapter, and represented his lodge in the Grand Lodge in 1886.

February 18, 1875 he was married to Margaret Elizabeth Boatright, a daughter of William A. Boatright, and their union has resulted in the birth of five children, four of whom are living: Alvin B., Ora B., Ola and Virgie E.

John A. Bunch, the junior member of the firm, was born in Newton Co., Ark., Sept 15, 1860, and received a liberal education at Berryville Acadamy. He worked on a farm the early part of 1880, and was then appointed Deputy Clerk of Newton Co. In the latter part of the same year he came to Kingston and engaged in business with his brother. In 1888 he received the nomination as County Clerk by the Democratic Convention, and if elected will prove an able and efficient officer. Sept 7, 1882, he married Ala F. Ogden, a daughter of W.R. Ogden, by whom he has four children: Joel Burton, Eliza Imogene, Vera Eva, and an infant unnamed. His wife is a member of the Free Will Baptist Church, and he is a member and secretary of the A.F.&A.M., and is a Democrat in politics. The parents of these two gentlemen are Capt. Larkin and Eliza (Maxwell) Bunch. The former was born in Overton Co., Tenn, Oct 24, 1827, and was killed in the battle of Pilot Knob, near St Louis, Mo, Sept 24, 1864. He came with his parents to Newton Co., Ark., in 1841, and was always an honest tiller of the soil. During the early part of the war he was elected captain of a company of State Troops, and he soon after organized a company of Confederate Troops, and was chosen its Captain, and was a participant in many hotly contested battles. He was a Democrat, a Mason and a member of the Baptist Church. His wife was born in Tennessee, May 8, 1835, and moved with her parents to Illinois, and afterward to Franklin Co., Ark. She is still living, the wife of J.C. Reeves, and resides on the old homestead in Newton Co., Ark. She and Capt. THE CLIPPING IN THE BERRYVILLE PAPER ON ELIZABETH JANE REEVES-BUNCH

When she was 95, - by Edith McCall

I am afraid that I'll have to disagree with the person who said, "Beauty is only skin deep". for after meeting this precious soul, who last July passed her 95th.Birthday, I find her to be one of the prettiest women I have met & her beuaty comes from her very heart & soul. To better describe Elizabeth Jane is to put it into words like this:

1She is good as she is fair,
None here on earth above her

2, As pure in thought as Angels are,
To know her is to love her.

Ples & Mary Reeves were among the pioneer people who settled in the Dry Fork Community, & Helped to establish the Shiloh Methodist Church in order that their children & neighbors children would have a place to worship. It seems that this church has been there from the beginning with the community growing around it. What a wonderful foundation to build a community.

Elizabeth Jane was the oldest of the three Reeves children and was one of many children who grew up in the shadow and shelter of this little church. She also grew up knowing that every garment she owned must first begin with a tiny boll of cotton picked and carded, then to the spinning wheel, on to the loom & then many hrs of sewing by hand before that beautiful Lindsay dress became a reality.

At the age of 17, Elizabeth became the bride of Stillman Bradley Bunch, a descendant of the Honorable Bradley Bunch who was a farmer of Carroll Co & was known as one of the most prominent citizens of Northwest Arkansas. From those I have met, those Bunch men, have a "Knack"for choosing wonderful women.

The wedding took place on Feb.1,1877, in the home of Elizabeth's parents with only a few close friends present. The late Isaac Whiteley, a United Baptist minister read the ceremony. Following their marriage Mr. Bunch took his bride home to the house where he was born. Today part of her home is the original house she went to as a bride.

Seven children came to bless this couple; six girls and 1 boy who passed away at the age of 15, following a severe case of appendicitis. The daughters are; Mrs. Sally Eden of Rocky, Okla, Mrs. Ova Eden of Preston Tex. Mrs. Mary Whiteley of Twin Falls Idaho, Mrs. Mirtie Armes of Boulder Colo. Bell & Genia Fancher, both of Huntsville, Route 4.

Mr. Bunch passed away on his birthday, Aug.27,1935,following a short illness.

Can you imagine Elizabeth keeping dresses for all those six daughters, to say nothing of the clothes for the rest of the family? At this point of our conversation, I asked her if she didn't find the going pretty rough in those days with all the work that had to be done in preparing cloth before it could be made into clothes. She only laughed at my question and went on to say how she sat up nights weaving & spinning with no light except that from the old-

fashioned fireplace.

What a beautiful picture that must have made, this little mother, with the face of an angel, sitting there making her spinning wheel hum to the tune of the many religious songs she sang such as, "Savior like a Shepherd lead us."

Elizabeth has always been some what of a perfectionist in everything she did, but the one thing that made her "get up early and work late", was the mere sight of a weed in her garden; she hoed weeds, she pulled weeds, she literally went down into the good earth after them. It was certain death to any weed that happened to pop up overnight. She kept up the battle of "Elizabeth vs. Weeds" until she passed her 90th birthday.

She is a person who could never stand to be idle and when she could no longer work in her garden she began asking the neighbors for rags to be made into rugs they brought her sacks of them, & it was not long before those neighbors & friends were being paid dividends for their rags, "Aunt Elizabeth" repaid them in the prettiest croched rug patterns you ever saw.

Did I say before that she is sweet? Well she is more than that, she is so precious she is priceless and most certainly a person who can never be forgotten by those who knew her. Aunt Elizabeth has never had the worry of moving around. In fact she lives within 3 miles of the place where she was born.

She has 41 grandchildren, 66 great-grandchildren, and 14 great-great-grand children. At Christmas time last year these children were in doubt as to the gifts to give her, so they finally decided to each give her a dollar, now this idea did not make her a rich woman, but count up the number of $ she received. No, she tells me, "I love these grandchildren of mine and I am proud of every-one of them, and I do know this- to have so many they are the best bunch on earth, not a heartache from any of them.

Aunt Elizabeth, I have always said no one on earth could come up to my mother when it comes to patience, love, and kindness, but you surely run a mighty close second to her. # # # # # # # # # # # # # #

THE FOLLOWING IS THE CLIPPING IN THE EUREKA SPRINGS ARK. PAPER ON ELIZABETH JANE REEVES-BUNCH, WHEN SHE CELEBRATED HER 100th BIRTHDAY ON JULY 14,1959.

Mrs. Elizabeth Jane Reeves-Bunch, celebrated her 100th birthday anniversary at her home at Dinsmore Ark. Tue July 14, with relatives and friends dropping in to congratulate her. She received many cards of good wishes. A big dinner was served, with 4 beautifully decorated cakes.

The day was spent visiting, and taking pictures. When the above picture was taken by her great-grandson, Joe Head, of this city, she said, with a sly grin, "I don't look so old, so I?

On Feb.1, 1877 she was married to Stillman Bradley Bunch, who passed away in 1935. They were the parents of 6 dau & 1 son. Living are; Mrs. Sallie Eden of Rocky Okla. Mrs. Ova Eden, Princetown Tex. Mrs. Mary Whiteley, Twin Falls Idaho, Mrs. Belle Fancher, and Mrs. Genia Fancher of Rt.#4 Huntsville. Deceased are Ottie Bunch, who passed away at the age of 16, and Mrs. Mirtie Armes. She has 40 living grandchildren, 5 deceased, and 83 great-grandchildren, and 27, great-great grandchildren.

Mrs. Bunch is living on the farm where her late husband was born and where she has lived since he took her there as his bride 81 yrs ago. She has led a very busy and full life, but for the past 2 yrs her health has been so that she could not have much activity or excitement. However, she is able to spend several hours each day out of bed.

Out-of-state relatives present for the occasion were Mr&Mrs.Noble Whiteley, & dau. Beverly & Brenda, of Twin Falls,Idaho, Mr.& Mrs. Winfred Eden, Rocky Okla. Mr.&Mrs.Earl Eagleston, Columbus Kan. Mrs.John Bowman, & son John Alan, of Tulsa Okla, John Alan was the only great-great grandchild present. Mrs. Bunch says"Live a clean life, keep busy, and stay happy" her recipe for living to be 100 years young.

LOCAL LADY IS WINNER OF $200.00 on T.V. PROGRAM. MRS. MAXINE WHITELEY GETS CASH & FINE AUTOMATIC WASHER.

Mrs. Maxine Whiteley, the former Maxine Fancher of Rt.2,Huntsville was awarded $200. in cash, & the latest model automatic washer on the "Strike it Rich" nationally televised program, from New York City on Dec.28. The program is primarily to help unfortunate people or the physically handicapped.

Mrs. Whiteley's sister, Mrs. Vernell Guess of Albany Mo. Wrote a letter to the "Strike if Rich" program asking aid for her sister & on Dec. 28, her letter was picked to be read on the air & as much help as could be given her, by the winner of the program. Mrs. Whitley's helping hand, as the person who actually appears on the program is called was a young actor, named Bradford Dillman. who won $200. for Mrs. Whiteley.

Officials of the Maytag Corp.,with headquarters in Newton Iowa, called while the program was on the air to say that they were sending Mrs. Whitlely the washer & that it would be installed by the Easterling Maytag Co.of Huntsville. Mr. Easterling stated that the machine had arrived here and that it would be installed in the Whiteley home as soon as the water connections could be made.

Mrs. Whiteley gave us the following information as to how she received the place on the program: On Feb. 23, 1955 I was operated on for a tumor of the spine, & it left me paralyzed from the waist down. I was in the Burge Hospital in Springfield Mo. "My sister, Mrs. Vernell Guess, Of Albany Mo. wrote a letter to "Strike it Rich" She sent the letter to Rev. Cecil Garrison of Spring-

dale to have him verify it berore sending it on to the program. About a month later, I received some papers to fill out & had Dr. Smith & Rev. Steve Montgomery verify them. "On Dec. 28, 1956, my letter was picked and a young actor, Bradford Dillman, was my helping hand. He won$200. Then the Maytag Co sent in a heartline call saying that they were sending the latest model in a Maytag Washer for which my sister asked. So I got the $200. & the washer.
"I was ironing that morning, and wasn't watching the program. In fact I didn't think my letter would ever be read, so I didn't watch very often. The Rev. Morrison of Huntsville First Baptist Church came to tell me, first. I never was so surprised. I never won anything before in my life. "I believe that my husband, Carl, & my dau. Carla Sue who is 7 yrs old were happier than I if possible, for they did most of the washing.

THE NUMBERING SYSTEM GOES LIKE THIS:

NATHANIEL BUNCH B. 1793 THE 1st. one - so he is No. 1
John Bunch, b, 1812 is his second child, so John is No. 1-2
Leonidas Polk, "Lee" Bunch is the 9th child of John so he is No. 1-2-9
Frank Bunch is the 4th.child of Lee, so he is No. 1-2-9-4
Nettie Pitcock is the 4th. child of Frank, so her No. 1-2-9-4-4.

Geneva King has worked out this system, and I think it is a good one. because you can take out or add without disturbing the other numbers.

* * *

There is no index system for the old records. But we feel the system will be helpful to you in the descendants of Nathaniel.

We hope the index will be helpful to you! You can find a person on the list by following the number system.

If you have information that we do not have here will you please send it to Mrs. Geneva King, Rt. 2 Nowata, Okla. Also as new events take place, send it.

1(10) LARKIN C. BUNCH, son of Nathaniel Bunch and Sarah Wade Ray, was born 24 Oct 1827 in Overton County, Tenn. He came with his parents to the Ozark Region of northwest Arkansas when a young man (1841), the journey being made by by wagon. He followed in his father's footsteps and became a farmer and stockman. During the early part of the Civil War he organized and was elected Captain of a company of State Troops, and he soon after organized a company of Confederate Troops, and was chosen its Captain, and participated in many hotly contested battles. Captain Larkin Bunch was killed in the Battle of Pilots Knob, Mo., near St Louis, on 24 Sept 1864; was carrying the flag at the time of his death. He and his nephew, Lt. John Allred, were buried in the same grave. He was serving under the command of General Price in the Missouri Raid. He was a Democrat, a Mason and a member of the Free Will Baptist Church. 1(10)

The wife of Capt. Larkin Bunch was Eliza Maxwell, whom he had married on 4 Oct 1852, in Ark. Eliza was born 8 May 1835 in Overton County, Tenn., the dau of Joel Maxwell (d c1840, Ill), and Clarissa Moore (1817-1908, who later married a Nunneley and is buried in the Liberty Cemetery). Eliza married 2) on 28 Nov 1878, John G. Reeves; she died 12 April 1892 on the old Bunch farm in Newton County, which is still owned by the family. This was the land that Larkin's father had received for his services in the War of 1812.

A Muster Roll of the company first organized by Larkin Bunch is still extant, and the heading reads: "Muster Roll of Captain Larkin Bunch's Co. "B" Infantry, 3rd Regt Ark Volunteers, called into service by the State of Arkansas by the State Convention at Fort Smith on the 22nd May 1861 to serve the term of six months unless sooner discharged. The Company was organized by Captain Larkin Bunch in Madison County on the 22nd May 1861 and marched to Fort Smith where it arrived on the 9th day of June 1861". A list of 73 Officers and Men follows. (See photocopy of this Muster Roll on a following page). A record of 1861 Army Disbursements mentions: "Larkin Bunch, Capt., Co "B". J.D. Walker Regiment".

Larkin Bunch and Eliza Maxwell had the following children:

1. Stillman Bradley "Tim" Bunch, b 27 Aug 1853, Dinsmore, Newton Co., Ark.; m Elizabeth Jane Reeves. 1(10)1*

CAPT. LARKIN and ELIZA (MAXWELL) BUNCH

Capt. Larkin C. Bunch was born in Overton County, Tenn., October 24, 1827, and was killed in the battle of Pilot Knob, near St. Louis, Missouri, Sept. 24, 1864. He came with his parents to Newton County, Arkansas, in 1841, and was always an honest tiller of the soil. During the early part of the war he was elected captain of a company of State troops, and he soon after organized a company of Confederate troops, and was chosen its captain, and was a participant in many hotly contested battles. He was a Democrat, a Mason and a member of the Baptist Church.

His wife, Eliza (Maxwell) Bunch, was born in Tennessee, May 8, 1835, and moved with her parents to Illinois, and after ward to Franklin County, Ark. She is still living, the wife of J.C. Reeves, and resides on the old homestead in Newton County, Arkansas. She and Capt. Bunch became the parents of five children:

Stillman B., born August 27, 1853,
Joel N., born April 21, 1856
Clarissa E. (Kay), wife of John P. Stamps
John A., born Sept. 15, 1860

OBITUARY

REEVES - Mrs. Eliza Reeves, (nee Maxwell) daughter of Joel and Clarissa Maxwell, was born in Overton Co., Tenn., May 8, 1835. At the age of four she, with her parents, moved to Illinois, where her father died. Two years after with her widowed mother she removed to Johnson Co., Ark., where they remained five years and them removed to Franklin Co. In Sept. 1852, while on a visit to her grandfather Moore's in Madison County, she was converted at the Methodist camp-ground on King's River, and on the 24th day of the following October she was happily married to Larkin Bunch of Newton Co. He was a member of the Free-will Baptist Church, a brother of Hon. Bradley Bunch of Carroll Co., a man of good repute. In 1855 she joined the M.E. Church South, at Shiloh and from the day of her accession to the time of her triumphant departure, she was a devoted and useful member. In 1864 her husband, Capt. Bunch, was killed in the battle of Pilot Knob. She was left with five helpless children to raise. By her industry and economy she did this creditably. They are all living and all save one are members of the Church, two Methodists and two Free-will Baptists - all are honorable and respectable citizens. The present Circuit Clerk of Madison Co. is a son of hers. Nov. 28, 1878, she was again happily married to J.C. Reeves of Dry Fork. Uncle John, as he was called by his neighbors, was a leading member of both the M.E. Church South and the community,and a well-to-do farmer. Her home was always characterized by a generous hospitality. It was the home of both Methodist and Baptist preachers. Eight years ago, this writer together with her pastors, G.P.R. Vandzant, P.C., and H.C. Jolly, P.E., had the pleasure of a visit to her happy home. All who came under that roof felt that hers was a happy home, and that the inmates thereof were heavenward bound. I am told by her pastor, J.W. Griffin, that she every morning, despite the pressure of business, read a chapter in the Bible. She was held in high esteem by a host of faithful friends whom she, by the consistency of her Christian life, drew about her. And, in her last sickness they together with her devoted husband, did all they could to prolong her precious life. That terrible disease called la Grippe together with the pneumonia baffled medical skill, and on April 12, 1891, she died in peace. She leaves her aged mother, four sons and one daughter, and her sorrowing husband who says, "she was a good Christian woman". A large company of her neighbors and friends attended her burial conducted by her pastor. Her mortal remains were laid to rest amid tears and sobs from loving friends. Let me live the life of the righteous and let my last end be like hers.

was elected to the office of probate judge in 1890 by a large majority, and has ever been active in political matters. He is a member of the Baptist and his wife is a member of the Christian Church, and both are active workers in their respective churches. Six children have been born to our subject and wife: Mattie, who died when small; Mary F., the wife of Bent May, resides north of Galena and has four children (William, Benjamin, Vernice, and an infant, Atta Ed Kes); Nancy E. married James Hunt, and resides on Wilson Run, four miles from Galena (they have six children—Vedie, Edwina, Walter, Oscar, Edna and Roma, an infant); William, a single man, runs a livery stable at Galena; James died when nineteen years of age; and John is married and living on James River. The Judge and family are classed among the best citizens of the county.

Capt. J. W. Story. This able attorney at law has his office at Harrison, Ark., and in every branch of his profession he is meeting with marked success. He has a decided veneration for the law, and this, combined with the accuracy of his legal knowledge, lucidity of statement and felicity of illustration has given him the confidence of all his patrons. He is a native of Tennessee, and a son of N. W. and Katie Story, who lived and died in White County of that State. His father was a successful farmer, a man of pure and exalted character, who enjoyed in a high degree the confidence and esteem of his neighbors. The subject of this sketch was one of a family of four sisters and three brothers. The other two brothers are now prominent lawyers of Sparta, Tenn. The early life of Capt. J. W. Story was spent in his native State, and there he obtained his education. He graduated from the Law Department of Cumberland University at Lebanon, Tenn., in 1868, and entered upon the practice of his profession in that city the same year. In 1873 he went to Sherman, Tex., but since 1885 he has been a resident of Harrison, Ark., and one of its most successful practicing attorneys. He has devoted himself exclusively to his profession and is justly considered one of the foremost attorneys of Boone County. Since locating here he has been connected with the most important cases that have come up in the courts of his section and has conducted them with dignity, discretion and ability. In politics he has always been a stanch Democrat. In religion he is a Cumberland Presbyterian. He is an active and interested worker in the cause of education. In the honorable order of Masonry he is a Knight Templar. Capt. Story was married in 1876 to Miss Mollie Goree, a highly refined and accomplished daughter of Dr. J. L. and Mary E. Goree. Her parents settled in Arkansas County, Ark., in 1852, where they resided until the death of her father after the war. Her father was a prominent physician and planter. Mrs. Story's only surviving brother is Dr. J. L. Goree, who is now a leading physician of Pine Bluff, Ark. Capt. and Mrs. Story have three children: Katie, Goree and John. Their residence is on Vine Street, in the northern part of Harrison, where they dispense a refined yet generous hospitality. Capt. Story is a safe and successful business man and has accumulated considerable property. In 1861 Capt. Story enlisted in the Confederate Army and served in Company I, Fourth Tennessee Cavalry, to the close of the war. He took part in the battles of Fishing Creek, Stone River, Chickamauga, Missionary Ridge, Resaca, New Hope Church, Bentonville, N. C., and many other important engagements. He served as a private until near the close of the war, when he was promoted to the command of his company for distinguished gallantry upon the field of battle.

John A. Bunch. This gentleman is the receiver of public moneys in the Government Land Office at Harrison, Ark., and is a native of this State, born in Newton County, September 15, 1860, a son of Capt. Larkin and Eliza (Maxwell) Bunch, the former of whom was born in Overton County, Tenn.,

a son of Nathaniel Bunch, who came to Arkansas in 1840, and made a home for himself and family in the northwest corner of Newton County, being one of the first to settle in that region. He also was a native of Tennessee, and was a soldier in the War of 1812 under Jackson, and after his death his wife received a pension for the services he rendered the Government. He was a farmer and died in 1858. Larkin Bunch was a young man when he came to Arkansas with his parents, the journey thither being made by wagon. He followed in his father's footsteps, and became a farmer and stockman, and when the Civil War came up he left home and joined the command of Gen. Price, with whom he took part in the Missouri raid. He assisted in organizing one of the first companies in Newton County, of which he was elected captain, and died while serving the Southern cause, at Pilot Knob. He was a member of the Free-Will Baptist Church. His wife was a native of Illinois, and a daughter of John and Clarissa Maxwell. She died April 12, 1892, on the old home farm in Newton County, which is still owned by the family. John A. Bunch was one of five children: S. B., who is living on the old home farm in Newton County; J. W., who is a farmer and merchant of Madison County, has represented his county in the State Legislature; Clarissa E. is the wife of J. P. Stamps; John A., and William L., a merchant of Kingston, Ark. John A. Bunch was reared on the old home farm in Newton County, attended the common schools, and at the age of eighteen years entered Clarke Academy at Berryville, where he finished his education in 1880. He then engaged in merchandising at Kingston, and remained associated in business with his brother for about eight years. In October, 1888, he was elected county and circuit clerk of Madison County, and held the office two terms, the last two years being only circuit clerk. In 1892 he again entered business in Kingston with his brother, and after following that occupation for six months was appointed receiver in the land office at Harrison by President Cleveland, and has since held the position. He has always been a Democrat, has attended State conventions, was a delegate to the Congressional Convention at Eureka Springs in 1892, and has been prominent in the political affairs of his section. He is a member of the A. F. & A. M., the I. O. O. F. at Harrison, has always been interested in the schools of his section, and is a public-spirited man. He was married to Miss Ala F. Ogden, a daughter of W. R. Ogden, and their union has resulted in the birth of six children: Jahel B., Irno, Vera, Sada, Avo, and an infant. The mother of these children is a member of the Free-Will Baptist Church. Mr. Bunch has made his home in Harrison since October, 1893, and is one of its most public-spirited citizens.

Lemuel R. Jones. Among the most esteemed and respected citizens of the town of Western Grove there is not one who has been a more faithful soldier, a more pleasant or agreeable member of society, or a more thorough and sagacious business man than Lemuel R. Jones, who is now notary public and postmaster at that place. His life of industry and usefulness, and his record for honesty and uprightness have given him a hold upon the community which all might well desire to share. He is a native of the State of Missouri, born in St. Francois County, February 1, 1833, and ninth in order of birth of a large, old-fashioned family of children born to Solomon and Elizabeth Burmam Jones, natives respectively of North Carolina and Tennessee. The parents were married in the latter State, but later moved to Missouri, where they made their home until 1834, when they came to Pope County, Ark. There Mrs. Jones died about 1836. Mr. Jones afterward moved to Searcy County, and about three years later moved to Newton County, where he married Miss Elsie Lane, and here passed the remainder of his days, dying about 1856, when seventy-six years of age. He was a farmer and one of the pioneers

She has seen many happy times, and many sad times in this old home. She helped her mother care for her father until his death. Then she saw her husband, son, daughter, and last her mother, that she loved very much, die in this house in which she was born. So it is indeed more than just a home to her. LOCAL LADY IS WINNER OF $200 ON TV PROGRAM

Mrs. Maxine Whiteley Gets Cashand Fine Automatic Washer

Mrs. Maxine Whiteley, the former Maxine Fancher of Rt. 2, Huntsville, was awarded $200 in cash and the latest model automatic Washer, on the "Strike it Rich" nationally televised programfrom New York City on Dec. 28. (1957). The program is primarily to help unfortunate people or the physically handicapped.

Mrs. Whiteley's sister, Mrs. Vernell Guess, of Albany, Mo., wrote a letter to the "Strike It Rich" program asking for aid for her sister and on Dec. 28 her letter was picked to be read on the air and as much help as could be given her, by the winner on the program.

Mrs. Whiteley's helping hand as the person who actually appears on the program is called, was a young actor named Bradford Dillman, who won $200 for Mrs. Whiteley.

Officials of the Maytag Corp., with headquarters in Newton, Iowa, called while the program was on the air to say that they were sending Mrs. Whiteley the washer and that it would be installed by the Easterling Maytag Co., of Huntsville. Mr. Easterling stated that the machine had arrived here and that it would be installed in the Whiteley home as soon as water connections could be made in the home.

Mrs. Whiteley gave us the following information as to how she received the place on the program:

"On Feb. 23, 1955 I was operated on for a tumor of the spine and it left me paralyzed from the waist down. I was in the Burge Hosp. in Springfield, Mo.

"My sister, Mrs. Vernell Guess, of Albany, Mo., wrote a letter to "Strike It Rich". She sent the letter to Rev. Cecil Garrison of Springdale to have him verify it before sending it on to the program. About a month later I received some papers to fill out and had Dr. Smith and Rev. Steve Montgomery verify them.

"On Dec. 28, 1956, my letter was picked and a young actor, Bradford Dillman, was my helping hand. He won $200. Then the Maytag Co. sent in a heartline call saying that they were sending the latest model in a Maytag Washer for which my sister asked. So I got the $200 and the washer.

"I was ironing that morning and wasn't watching the program. In fact, I didn't think my letter would ever be read, so I didn't watch very often. The Rev. Morrison of the Huntsville First Baptist Church came to tell me, first. I was never so surprised; I never won anything before in my life.

"I believe that my husband, Carl, and my daughter, Carla Sue, who is seven years old were happier than I, if possible, for they did most of the washing."

THIS WAS TAKEN FROM ARKANSAS HISTORY PUBLISHED 1889.

Bunch Brothers. The mercantile interests of Madison County, Ark., are ably represented by the above named firm, which consists of Joel N. and John A. Bunch. They began their mercantile career in Kingston in 1880, and by their industry, honesty and good business managment have secured a large and lucrative trade. The senior member of the firm, Joel N., was born in Newton County, Arkansas, April 21, 1856, and received a liberal education in the home school. In 1875 he engaged in tilling the soil, which occupation he continued until 1880, when he came to Kingston and engaged in merchandising. In 1884 he was elected to represent Madison County in the State Legislature for one term, and served with entire satisfaction to his constituents. He is a Democrat and a Mason, being a member of the chapter, and represented his lodge in the Grand Lodge in 1886.

February 18, 1875 he was married to Margaret Elizabeth Boatright, a daughter of William A. Boatright, and their union has resulted in the birth of five children, four of whom are living: Alvin B., Ora B., Ola and Virgie E.

John A. Bunch, the junior member of the firm, was born in Newton County, Ark., Sept. 15, 1860, and received a liberal education at Berryville Academy. He worked on a farm the early part of 1880, and was them appointed deputy clerk of Newton County. In the latter part of the same year he came to Kingston and engaged in business with his brother. In 1888 he received the nomination as county clerk by the Democratic convention, and if elected will prove an able and efficient officer. Sept. 7, 1882, he married Ala F. Ogden, a daughter of W.R. Ogden, by whom he has four children: Joel Burton, Eliza Imogene, Vera Eva, and an infant unnamed. His wife is a member of the Free Will Baptist Church, and he is a member and secretary of the A.F. & A.M., and is a Democrat in politics. The parents of these two gentlemen are Capt. Larkin and Eliza (Maxwell) Bunch. The former was born in Overton County, Tenn., October 24, 1827, and was Killed in the battle of Pilot Knob, near St. Louis, Mo., Sept. 24, 1864. He came with his parents to Newton County, Arkansas, in 1841, and was always an honest tiller of the soil. During the early part of the war he was elected captain of a company of State troops, and he soon after organized a company of Confederate troops, and was chosen its captain, and was a participant in many hotly contested battles. He was a Democrat, a Mason and a member of the Baptist Church. His wife was born in Tennessee, May 8, 1835, and moved with her parents to Illinois, and afterward to Franklin County, Ark. She is still living, the wife of J.C. Ree Reeves, and resides on the old homestead in Newton County, Arkansas. She and Capt. Bunch became the parents of five children: Stillman B., born August 27, 1853, Joel N., born April 21, 1856, Clarissa E. (Kay), wife of John P. Stamps; John A., born Sept. 15, 1860 and William Larkin, born June 27, 1864.

Dear Mrs. King:

I have been most interested in genealogy and family histories. A few years ago I found out that there was a published copy of the Bunch family lineage and purchased a copy, which I have enjoyed very much.

My mother was Mrs. Ora Belle Bunch Presley, wife of M. B. Presley. It recently occurred to me that nothing had been done to up-date my own copy of the history. So I have undertaken to do this and thought you might possibly want a copy for the master copy or file.

Has there been a supplement made to the original? If so I would be most interested in obtaining a copy of it. I don't even know the date when it was originally mimeographed and if additions have been made since I obtained my copy. Nor if this is a current address for you. I will send a carbon copy to Mrs. Nettie Pitcock at the address listed in the book also - in case this does not reach you at your address.

If I can be of assistance in any way I would appreciate your letting me know.

Sincerely,

Mary Youngblood
